Faith Horror LMK Sheppard, 2022-03-22 Faith horror refers to a significant outcropping of mid 1960s and 1970s films and adaptative novels that depict non Christian communities of evil doers and their activities Before this period the classical horror villain was ultimately ineffectual The demonic monster was an isolated lone individual easily vanquished by an altruistic Christian protagonist Alternatively the villain in faith horror is organized into identity affirming likeminded religious congregations that successfully overcome protagonists Faith horror was a cinematic trend that depicted Satanism witchcraft and paganism during a cultural deliberation over the Death of God which debated the legitimacy of alternative spiritualities and the value of alliance to any faith at all Covering popular works like Rosemary s Baby The Wicker Man and The Omen this book regards these films and their literary sources in relation to this historical moment providing new ways of understanding both the period and the faith horror movement more generally

Rosemary's Baby Ira Levin, 2023-10-24 The genre defining classic that ushered in the era of modern horror One of the best selling books of all time Rosemary s Baby is a foundational work of suspense and psychological horror which remains as powerful and chilling as the day it was written Hailed by Truman Capote as a darkly brilliant tale and adapted with near total fidelity into the monumental film starring Mia Farrow and John Cassavetes Ira Levin s Rosemary s Baby ushered in the era of contemporary horror as we know it opening the floodgates to later works such as The Exorcist and The Omen Levin ingeniously fused gothic literary tradition with modern day New York creating an enduring classic which the New York Times placed on its recent list of The 25 Most Significant New York City Novels From the Last 100 Years Rosemary Woodhouse and her struggling actor husband Guy are thrilled to move into the Bramford a sought after Manhattan apartment building prized for its Victorian details and gargoyle facade Yet as they learn of a darker side to the building s history and become acquainted with their overly attentive neighbors the Castevets unspoken tensions enter into the young couples relationship Matters improve when Guy lands a major role and Rosemary at last becomes pregnant But as her pregnancy takes frightening turns Rosemary begins to question if her neighbors heightened interest is strictly innocent or if their motivations and those of Guy himself portend terrifying consequences for her and her unborn child Is Rosemary going mad or going sane Foreword by Chuck Palahniuk Afterword by R L Stine
