sculpt a,b,c...

Using colored clay, join your child in making the letters and numbers. It's a hands-on way to learn to recognize the ABCs and the 123s. It's a great way to encourage creative play.

178

visit the library

A trip to the library is always great fun. Let your child browse the shelves, choose a special book, and look out the artwork displayed in the children's section. In most libraries, a kid just has to be able to read his name in order to be a card-carrying book lover. Now's the time for him to apply for his very own library card. How very grown-up!

179

provide privacy

As your preschooler grows and becomes more independent, she may sometimes want time alone. Make sure there's a quiet space in your house where your child can go to be on her own to unwind or just play. A corner outfitted with big pillows and a blanket works fine.

180

join the fan club

Fan-making is the perfect diversion on a hot day. Invite your child to decorate a piece of construction paper with non-toxic markers (he can go with abstract designs if he likes, or perhaps a frosty motif of penguins, polar bears, or snowflakes). Then show him how to fold the paper into pleats and chill out together.
