Hi \_\_\_\_ Grade Parents!

My name is \_\_\_\_, I am \_\_\_\_'s mom, and I will be your room mom this year!

I've attached a sheet to help you learn more about \_\_\_\_ (teacher's name) \_\_\_\_'s favorite things and needs for her classroom.

As room mom, I will be in charge of class projects and class holiday parties. If you would like to participate in parties or projects, please let me know! Our first project will be \_\_\_\_\_. If you would like to help out with this project, please let me know so I can find out how many parents we can have in the classroom on that day.

I will keep you updated on class events as they come up! :)

Looking forward to a fun year!

## **Room Mom Beginning Of Year Letter:**

Letters from a Black and White World Teresa Price, 2013-11-27 A rare glimpse into the training and life of a mid twentieth century nun a story told on two levels actual letters written as it was experienced interspersed with narrative and retrospective comments Overall the book is a love story of a girl seeking God and dedicating her life to His service The story begins on a hot July day when the seventeen year old candidate arrives at the novitiate in Missouri Candid letters reveal the gradual transformation from a frivolous teen to a dedicated religious The letters chronicle her efforts to cope with the rigorous training and lifestyle and ultimately her failure to conform Psychological effects and consequences of the lifestyle are discussed Retrospective comments enhance the story explaining customs and practices of the Old World spirituality of the times Details of the Church reforms enacted in the 1960s that brought dramatic needed change are included The system of belief customs and practices of the times sheds light on the scandalous abuse and secrecy issues in the news today The author sums up her experiences in these words Some would argue but I believe there is such a thing as a temporary vocation I see my seven and a half years in the convent as such a precious time of protection for me at a most vulnerable time in my life Unaware of my motivation at the time I've come to realize I entered the convent seeking peace and escape from the pain of losing my sister The Lord called me aside just for a time and during that time I learned to love and trust Him unreservedly I felt a deep happiness but as is the course of things I eventually suffered the emotional consequences of denying those feelings of loss guilt and anger and not allowing myself to grieve

**On Fire** John O'Leary, 2016-03-15 THE INSPIRATION FOR THE FILM SOUL ON FIRE In the bestselling tradition of Brene Brown's Daring Greatly and Nick Vujicic's Life Without Limits comes a rousing 7 step plan for living a life on fire filled with hope and possibility from an inspirational speaker who survived a near fatal fire at the age of nine and now runs a successful business inspiring people all around the world When John O'Leary was nine years old he was almost killed in a devastating house fire With burns on one hundred percent of his body O'Leary mustered an almost unimaginable amount of inner strength just to survive the ordeal The insights he gained through this experience and the heroes who stepped into his life to help him through the journey his family the medical staff and total strangers changed his life Now he is committed to living life to the fullest and inspiring others to do the same An incredible and emotionally honest account of triumph over tragedy On Fire contains O'Leary's reflections on being that little boy the life giving choices made then and the resulting lessons he learned O'Leary very clearly shares that without the right people providing the right guidance at the right time he never would have made it through those five months in the hospital let alone the years that followed as he struggled to regain mobility embrace his story and ignite clarity of his life's purpose On Fire encourages us to seize the power to choose our path and transform our lives from mundane to extraordinary Once we stop thinking solely on the big moments in our lives we can begin to focus on those smaller opportunities that tend to pass us by These are the events the inflection points in our lives that can determine how we feel about life now where we are

headed in the future and how many lives we can impact along the way We can't always choose the path we walk but we can choose how we walk it Empowering inspiring remarkably honest and heartfelt O'Leary's strength and incredible spirit shine through on every page *The Letters* Donald Rilla, 2014-04-30 A woman is diagnosed with an inoperable brain tumor She writes a series of letters to family and a friend before her death resulting in them carrying out her wishes in unexpected fashion Under the picture Other books published by Donald Rilla In the Mind of a Serial Killer The Three Italian Foster Kids Forensic Social Work Short Stories Renee The Runaway Foster Child Cold Case Abduction Redemption Presidential Conspiracy **EBOOK: Classroom Interactions in Literacy** Eve Bearne, Henrietta Dombey, Teresa Grainger, 2003-11-16 This book examines some of the complexities and debates about language literacy and learning challenging current assumptions about shared understanding of pedagogical principles It foregrounds social and cultural issues and the nature of interaction between children and teachers children and children children and texts of all kinds and the significance of wider interactions within the teaching profession The contributors revitalise debate about the nature of professional knowledge provide insights into the detail of classroom discourse and teacher interventions and examine the transformative possibilities of literacy They argue for a more open and expansive agenda informed by an analytically constructive view of pedagogy and challenge the profession to move from restrictive certainties to the potent possibilities of development through uncertainty and risk *Effective Instructional Strategies* Kenneth D. *Letters to My Mother* Mary Ruth Borg, 2009 I knew I liked to write when I was a teenager locking myself in my room I was angry frustrated and needed a positive outlet I was tired of breaking things I was sad having to pick up pieces of my little treasures So I picked up a pencil to write about how I felt and why I was being self destructive I was determined to find a way to diffuse the confusion in my head Taught very early to pray I d put my prayers on paper Seeing something written brought me back into reality I had a reference point Something I could read over and over to remind myself who I was and that I would be okay This is my story of survival My journey from the traumatic experience of being molested countless times by my step father while living within the strict religious practices of Jehovah s Witnesses to my healing process with Parents United I thought my life of confusion mistrust and low self esteem could never change As I got older I attracted more dysfunction in my choices I didn t know I could change that I didn t know any better I became afraid for my children I thought I was crazy and didn t have good parenting skills After years of therapy I learned to have control over my life and how to take the power back that I kept giving away I am no longer a victim It has been a long and twisty road Today I am proud to be happy healthy and productive in my world I am proud to be a survivor I hope to inspire others and give them hope that the craziness in their heads can go away I want to keep talking about this until the cycle is broken and all children are safe
