

Our club is offering scholarships to deserving students. These awards are available to students from Placer, Colfax, Foresthill, Pine Hills Academy, and Confluence High Schools. **Deadline for award nomination is March 20, 2020.**

If you know of a high school senior who meets the qualifications for our Alan Young Bootstrap Award, please send me letter of Recommendation identifying the student and describe why you feel they deserve this award. This is not an award where students are expected to apply themselves. You, as the Senior Class Counselor or teacher, are the most logical person to make such a recommendation. Because our goal is to help the student continue to meet their goals and make their dreams come true we will also need a short essay from the student describing their future goals and how such a financial award would be directed in attaining these goals.

Please send your letter and the student's essay no later than March 20, 2020.

Thank you for your help,

Rotary Resignation Letter:

Letters to and from a Christian Mother and More Silas Dobbs McCaslin, 2011-10 Ethics morals and society in general have been spiraling downward for more than 50 years Life simply was different up through the 1940s and the decade that followed Christian thought today is discredited on the university campus and traditional Christian piety now is viewed by the majority of the public as old fashioned Postmodernism has become entrenched In Christian circles the question often is asked How does the unbeliever cope As believing Christians we know that the Word of God provides all of the answers Perhaps LETTERS TO AND FROM A CHRISTIAN MOTHER AND MORE will be of some assistance to both the believer and the unbeliever who as the parent of a young child or children or of young adult children must advise and counsel that child as they navigate through their religious social and academic decisions Dr Terry L Johnson stated that the letters are remarkable and show clearly what a devout and accomplished woman your mother was They are wise and devotionally rich and may deserve a wider readership From the Preface Dr Johnson continued Their literary quality was outstanding More importantly they were filled with sound shrewd bold Biblical counsel for her boys particularly in the years between the beginning of college and the birth of Si and Suzanne s first child Carey I wanted to read more and became convinced that others particularly parents could benefit from hearing the strong counsel of a Christian mother to her beloved sons From the Foreword *Once a Rotarian, Always a Rotarian* Sean M. Teaford, 2016-04-27 This collection was originally written as posts for my blog Time To Keep It Simple which has long since served as a daily record of my life as a traveler writer genealogist photographer Rotarian Mason Jew PR professional and many other mostly positive things Those original posts have been divided into sections according to The Four Way Test which is recited before every Rotary meeting and serves as a means to guide the actions of every Rotarian The questions we ask ourselves every day are as follows Is it the TRUTH Is it FAIR to all concerned Does it promote GOOD WILL and BETTER FRIENDSHIP Will it be BENEFICIAL to all concerned While my activity within Rotary has been limited in recent years the lessons that I learned while an active member of my club continue to influence my life The friendships formed during that time are some of my most treasured and I will forever be thankful for the support that I continue to receive from my fellow Rotarians However most importantly my time as a Rotarian has given me the skills and passion for service and community that has made me a better leader person husband and father *The Rotarian*, 1920 □□□□□□□□□□ □□□□, 1917 *Letters of Vachel Lindsay* Vachel Lindsay, 1979 Lindsay was typecast by his contemporaries as a jazz poet an appellation kept alive by his exhausting but financially essential reading tours This selection of his letters shows his yearning to be a poetic savior an American original his instinctive appreciation of the infant movie industry s importance and the hidden self hidden struggle to escape from the iron hand of his mother They also reveal the basic shallowness of his intellect and talent despite a capacity for sensing the new demands made on literature by America and the twentieth century **Decisions and Orders of the National Labor Relations Board** United States.
