Alfred Williams

Round About The Upper Thames:

Round about the Upper Thames Alfred Williams, 2014-11-25 Originally published in 1922 this work details the history and society of the Upper Thames The following passage is an extract from its preface The scope of the book is principally nature and life speech story tradition and humorous incident Whatever of this is contained in the chapters was gleaned on the ground and is I believe for the most part original In traversing the circle of villages in the area I have attempted to avoid historical references which are often tedious though it was obviously impossible to eliminate them altogether The question always is whether a particular locality is in itself sufficiently interesting to merit attention This I leave for the reader to decide his judgment and not mine must determine the issue Since my object was to portray as much life as possible not its sufferings and tragedy I have made free use of persons and these not fictitious but real who inhabited the villages within the memory of those yet living believing that such records can never become stale or valueless and that here as elsewhere a little fact is more convincing than a goodly array of fiction The River Thames takes its name from the Middle English Temese which is derived from the Celtic name for river Originating at the Thames Head in Gloucestershire it is the longest river in England flowing a total length of 236 miles out through the Thames Estuary and in to the North Sea On its journey to open water it passes through the country s capital London where it is deep enough to be navigable for ships thus allowing the city to become a major international trade port *ROUND ABOUT THE UPPER THAMES* ALFRED. WILLIAMS, 2018 Round

about the upper Thames Alfred Williams, 1922 **Round about the Upper Thames. With ... Photographs and a Map.].**

Alfred Owen Williams, 1922 *Round about the Upper Thames* Alfred Williams, 1922 *Round about the Upper Thames ... With Four Photographs and a Map* Owen Alfred WILLIAMS, 1922 **Round About the Upper Thames (Classic Reprint)**

Alfred Williams, 2015-08-04 Excerpt from *Round About the Upper Thames* The following chapters were written in the early part of 1914 and were serialised in the Wilts and Gloucestershire Standard in 1915 Since then many changes have taken place which must have a permanent effect upon the life of the countryside At the same time such changes are not entirely radical Work and wages are the principal things affected the fundamental spirit remains much the same as formerly There had already been a decay of village folklore and tradition The discontinuance of farm festivals and fairs had much to do with this They had provided the people with convenient means of association The ballad singers with their bundles of broadsides travelling players in fact any who could tell a good story and provide entertainment at the inns never failed to attend and were listened to by an appreciative audience By the process of natural development or evolution that condition of things came to an end and none now wish to see it restored About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing

page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Round about the Upper Thames - Primary Source Edition* Alfred Williams,2014-01 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *The Bookman* ,1922 *Translations, an autoethnography* Paul Carter,2021-12-21 *Translations* is a personal history written at the intersection of colonial anthropology creative practice and migrant ethnography Renowned postcolonial scholar public artist and radio maker UK born Paul Carter documents and discusses a prodigiously varied and original trajectory of writing sound installation and public space dramaturgy produced in Australia to present the phenomenon of contemporary migration in an entirely new light Migrant space time Carter argues is not linear but turbulent vortical and opportunistic Before and after narratives fail to capture the work of self becoming and serve merely to perpetuate colonialist fantasies The mirror state relationship between England and Australia its structurally symmetrical histories of land theft and internal colonisation repress the appearance of new subjects and subject relations Reflecting on collaborations with Aboriginal artists Carter argues for a new definition of the stranger host relationship predicated on recognition of Aboriginal sovereignty Carter calls the creative practice that breaks the cycle of repeated invasion dirty art *Translations* is a passionately eloquent argument for reframing borders as crossing places framing less murderous exchange rates symbolic literacy creative courage and above all the emergence of a resilient migrant poetics will be essential *The Nation and the Athenaeum* ,1925 **Thames** Peter Ackroyd,2008-11-04 In this perfect companion to *London The Biography* Peter Ackroyd once again delves into the hidden byways of history describing the river s endless allure in a journey overflowing with characters incidents and wry observations *Thames The Biography* meanders gloriously rather like the river itself In short lively chapters Ackroyd writes about connections between the Thames and such historical figures as Julius Caesar and Henry VIII and offers memorable portraits of the ordinary men and women who depend upon the river for their livelihoods The Thames as a source of artistic inspiration comes brilliantly to life as Ackroyd invokes Chaucer Shakespeare Turner Shelley and other writers poets and painters who have been enchanted by its many moods and colors *Journal of the British Archaeological Association* British Archaeological Association,1921 *The Nation and Athenæum* ,1923 **British Books** ,1922 *The Publishers' Circular and Booksellers' Record* ,1923 **Publishers' Circular** ,1922 **The English Catalogue of Books [annual]** Sampson Low,1923 Vols for 1898 1968 include a directory of publishers *B.H. Blackwell* B.H. Blackwell Ltd,1926 **Storytelling and Ecology** Anthony Nanson,2021-06-17 Finalist in the

PROSE Award 2022 for Language Linguistics Awarded Honors at the Storytelling World Awards 2022 Linking the ongoing ecological crisis with contemporary conditions of alienation and disenchantment in modern society this book investigates the capacity of oral storytelling to reconnect people to the natural world and enchant and renew their experience of nature place and their own existence in the world Anthony Nanson offers an in depth examination of how a diverse ecosystem of oral stories and the dynamics of storytelling as an activity can catalyse different kinds of conversation and motivation helping us resist the discourse of powerful vested interests Detailed analysis of traditional true life and fictional stories shows how spoken narrative language can imbue landscapes creatures and experiences with enchantment and mediate between the inner world of consciousness and outer world of ecology and community A pioneering ecolinguistic and ecocritical study of oral storytelling in the modern world Storytelling and Ecology offers insight into the ways that sharing stories in each other's embodied presence can open up spaces for transformation in our relationships with the ecological world around us
