by Myself Paul V. Allen, 2021-05-28 In the late 1950s Ted Geisel took on the challenge of creating a book using only 250 unique first grade words something that aspiring readers would have both the ability and the desire to read The result was an unlikely children s classic The Cat in the Hat But Geisel didn t stop there Using The Cat in the Hat as a template he teamed with Helen Geisel and Phyllis Cerf to create Beginner Books a whole new category of readers that combined research based literacy practices with the logical insanity of Dr Seuss The books were an enormous success giving the world such authors and illustrators as P D Eastman Roy McKie and Stan and Jan Berenstain and beloved bestsellers such as Are You My Mother Go Dog Go Put Me in the Zoo and Green Eggs and Ham The story of Beginner Books and Ted Geisel s role as president policymaker and editor of the line for thirty years has been told briefly in various biographies of Dr Seuss but I Can Read It All by Myself The Beginner Books Story presents it in full detail for the first time Drawn from archival research and dozens of brand new interviews I Can Read It All by Myself explores the origins philosophies and operations of Beginner Books from The Cat in the Hat in 1957 to 2019 s A Skunk in My Bunk and reveals the often fascinating lives of the writers and illustrators who created them American Book Publishing Record ,1973 **Martindale Hubbell Law Directory**

Martindale-Hubbell, 2003-12 Sexuality in Literature for Children and Young Adults Paul Venzo, Kristine

Moruzi, 2021-06-08 Expanding outward from previous scholarship on gender queerness and heteronormativity in children s literature this book offers fresh insights into representations of sex and sexuality in texts for young people In this collection new and established scholars examine how fiction and non fiction writing picture books film and television and graphic novels position young people in relation to ideologies around sexuality sexual identity and embodiment This book questions

how such texts communicate a sense of what is possible impossible taboo or encouraged in terms of being sexual and sexual being Each chapter is motivated by a set of important questions How are representations of sex and sexuality depicted in texts for young people How do these representations affect and shape the kinds of sexualities offered as models to young readers And to what extent is sexual diversity acknowledged and represented across different narrative and aesthetic modes This work brings together a diverse range of conceptual and theoretical approaches that are framed by the idea of sexual becoming the manner in which texts for young people invite their readers to assess and potentially adopt ways of thinking and being in terms of sex and sexuality **English Language Cookbooks, 1600-1973** Lavonne B.
