

Dear Families,

To enhance home-school communication, I plan to use an app called Remind. This app was designed for teachers and allows me to send reminders about classroom happenings via text message. I have found it is a quick and effective way to get messages to you about important things that are happening at school.

If you are interested in receiving these messages, follow the directions found below. Standard text messaging rates will apply. One neat feature of this app is that all phone numbers are kept private. Also, you will not receive any advertisements.

To sign up to receive messages, simply text _____ to this number _____

If at anytime you would like to stop receiving text updates, simply text STOP to the same number.

Please do not hesitate to contact me if you have any questions or concerns.

Thank you,
