The War Between Men and Women Ivory Simion,2009-08-19 There is no other book on the market today that explains why men and women act and react to each other the way they do Control is why there is so much conflict between the two genders Who will control the other The War Between Men and Women presents proof of man s authority over woman and woman control over man Within these pages is why man was given authority over woman as well as why woman was given control over man This book reveals to men their obligations and responsibilities that come with authority and how to properly govern his family using compassion and understanding This book shall reveal to women their real power and control over man to keep man from abusing his authority Secrets that were forgotten or deliberately hidden from women to reduce or remove her control over man This book explores the diversions and other interest that man and woman have that interferes with men and women relationships and causes both of them to seek companionship in other arenas and to ponder the question of whether or not a person is better off living alone in this society instead of living in conflict and chaos with a mate This book discusses the different outside influences that affect men and women relationships with each other that causes men and women to be violent towards each other The book examines the deep psychological reasons behind why certain women do not want certain men and the hate that they have for themselves and everybody that looks like them This book also gives information on how each gender can improve themselves to become appealing to the opposite sex In all this book gives men and women real weapons to fight with in this war between men and women Weapons that each gender can use to win this eternal battle between the sexes and completely dominate or control their mate It reveal to men what they need to have the authority over women and what women needs to control their men But that s not all This book presents a third course of action that have not been explored by the genders in a long time that offers a possible solution to the eternal battle between man and woman A solution that can finally end the war between men and women This book The War Between Men and Women is thee most thought provoking and provocative book in America today
