Faith, Power and Peace Diana Francis, 2015 **Making Peace with Faith** Michelle Garred, Mohammed Abu-Nimer, 2018-01-15 Although religion is almost never a root cause it often gets pulled into conflict as a powerful element especially where conflicting parties have different religious identities Every faith tradition offers resources for peace and secular policy makers are more and more acknowledging the influence of faith based actors even though there remains a tendency to associate religion more with conflict than peace In this text practitioners from different faiths relate and explore the many challenges they face in their peacebuilding work which their secular partners may be unaware of The contributors are all practitioners whose faith or religious experience motivates their work for peace and justice in such a way that it influences their actions Their roles are diverse as some work for faith based institutions while others engage in secular contexts The multiple perspectives featured represent multiple faiths Muslim Christian Hindu Buddhist Jewish diverse scopes of practice different geographic regions Each chapter follows a similar template to address specific challenges such as dealing with extremist views addressing negative stereotypes about one's faith endorsing violence developing relations with other faith based or secular groups confronting gender based violence and working with people who hold different beliefs In this text practitioners from different faiths relate and explore the many challenges they face in their peacebuilding work which their secular partners may be unaware of They provide a comprehensive view of the practice of peacebuilding in its many challenging aspects for both professionals and those studying religion and peacebuilding alike *Pursuing Just Peace* Catholic Relief Services, 2008 Peace be with You Cornelia Lehn, 1984 A Righteous Faith for a Just and Durable Peace. Articles by John Foster Dulles [and Others], Etc Federal Council of the Churches of Christ in America (UNITED STATES OF AMERICA). Commission to Study the Bases of a Just and Durable Peace, John Foster Dulles, 1942 The Highest of All Mountains Samuel K. Sarpiya, 2021-03-18 This book is for people who believe that the gospel is a message of peace and this gospel of peace is relevant for our time Peacemaking is a core part of our Christian discipleship just as we learn how to pray just as we learn how to love our neighbors just as we learn how to feed the hungry We can also learn how to be peacemakers Sarpiya believes that peacemaking is central to the Christian faith and practice This book will serve as a guide that will offer a scriptural guide with practical stories and applications Readers will be challenged by Scripture to take the call to peacemaking into their communities The fact that numerous peace treaties have collapsed serves to show how difficult it is to transcend cycles of violence and foster a sustained durable peace The one place that one could look to for answers about how to move toward peace is within faith communities and sometimes not just one faith acting alone but working alongside other faiths in concert with other faiths taking an interreligious approach The Highest of All Mountains shows how Sarpiya's Christian peacemaking backed by the interreligious approach brings the monotheistic faiths together as they all agreed on one denominator to their faith's origin Abraham Faith and Peace, 1862 **Peace** David Gee, 2005 At Peace with War

Harold Ristau, 2012-08-22 Although the moral and ethical dimensions of NATO presence in Afghanistan has been the focus of debate by politicians and media alike questions of the religious culture and spirituality that underlie the complexities of both the conflict and convictions of those affected have rarely been discussed The entries of this thought provoking journal offer a unique window into this strange and unpredictable war torn realm from the perspective of a Christian army chaplain who has experienced the terrors of war from the foxhole This diary represents the brutally honest yet deeply spiritual reflections and questions of a Lutheran clergyman whose aim is not to justify but to record the life of faith Join Padre Ristau in a journey marked by episodes of wonder and struggle celebration and hardship and come away changed True stories some inspiring some frightening Yet none of them remain unfamiliar to the Divine

Rediscovering Faith Todd Byrne, 2012 *World Faith for World Peace*, 19?? The Community of Faith E. Glenn Hinson, 1986 **The Way of Peace** Henry Allan Ironside, 1940 *Peace, a Witness of Faith* Raymond G. Hunthausen, 1983 Peacemakers PETER. DIXON, 2019-03

Peacemakers offers a moral framework on which to base Christian thinking about war and peace undergirded by a solid confidence in God's sovereignty as we face the uncertainty of the real world *Peace Principles* Dorothy Woods, 2010-06

Peace Principles is constructed to give you a daily journey in your search for peace Each day is equipped with biblical practical and personal experiences to give you the reader your own daily journey to overcome the storms of your life This book is designed to help you understand that the peace you are searching for is within you and it helps you to get to that point where fear is a thing of the past and peace will conquer all fears May his peace dwell with you now and forever more Amen
