Augustin Ostace, **SCHOLAR & SCHOLASTIC** Augustin Ostace, 2018-07-30 In order to know myself better, gnóthi seauton, I have to descend into the strongholds of meditation, of pondering and of wise silencing by trying to reunite the essence of a thing with its own existence, esse et existere. In order to know myself better, gnóthi seauton, I have to know what is uncertain around me and inside me regarding the cosmological uncertainties, biological uncertainties and ontological uncertainties. In order to know myself better, gnóthi seauton, I have to know what is unknown around me and inside of me, whatever of the level of universe or of the starry skies upon me and the ones inside me. Ultimately, in order to know ourselves better, of what is known, of what is uncertain and of what is unknown, must be the duty triad in every school, in every college or university of all those who are trying the ontological jump or start up in our Species towards an Up Sapiens Species.
