The Solution Revolution William D. Eggers, Paul Macmillan, 2013-09-17 Government Alone Can't Solve Society's Biggest Problems World hunger Climate change Crumbling infrastructure It's clear that in today's era of fiscal constraints and political gridlock we can no longer turn to government alone to tackle these and other towering social problems What's required is a new more collaborative and productive economic system The Solution Revolution brings hope revealing just such a burgeoning new

economy where players from across the spectrum of business government philanthropy and social enterprise converge to solve big problems and create public value By erasing public private sector boundaries the solution economy is unlocking trillions of dollars in social benefit and commercial value Where tough societal problems persist new problem solvers are crowdfunding ridesharing app developing or impact investing to design innovative new solutions for seemingly intractable problems Providing low cost health care fighting poverty creating renewable energy and preventing obesity are just a few of the tough challenges that also represent tremendous opportunities for those at the vanguard of this movement They create markets for social good and trade solutions instead of dollars to fill the gap between what government can provide and what citizens need So what drives the solution economy Who are these new players and how are their roles changing How can we grow the movement And how can we participate Deloitte s William D Eggers and Paul Macmillan answer these questions and more and they introduce us to the people and organizations driving the revolution from edgy social enterprises growing at a clip of 15 percent a year to megafoundations to Fortune 500 companies delivering social good on the path to profit Recyclebank RelayRides and LivingGoods are just a few of the innovative organizations you ll read about in this book Government cannot handle alone the huge challenges facing our global society and it shouldn t We need a different economic paradigm that can flexibly draw on resources combine efforts and create value while improving the lives of citizens The Solution Revolution shows the way

Taylor Francis an Informa company *Client Education: Theory and Practice* Mary A Miller, Pamela Rae Stoeckel, 2024-11-29

Client Education: Theory and Practice Fourth Edition teaches nursing students the important skills of patient education and health promotion. The authors use their unique Miller Stoeckel Client Education Model as the organizing framework to emphasize the importance of the Nurse Client Relationship and how this relationship is paramount to the success of client education. They focus on the key role that nurses play in educating individuals, families, and groups in clinical settings. The updated Fourth Edition addresses the need for health education in nursing by covering the learning process and discussing the needs of clients across the age span. The authors' thoughtful revision includes updated statistics on chronic diseases and new data on generations Z and Alpha. Furthermore, they teach students how to work with culturally diverse populations by presenting specific teaching approaches.
