The Unaborted Children Roy J Chauvin Jr,2022-11-16 *The Unaborted Children* By Roy J Chauvin Jr The author seems to place a dim view on the parenting skills of today s parents All parents struggle with decisions regarding their children some have model children who need little or no guidance while other parents are tormented by their children s mistakes and path According to the author he was responding to God s calling in caring for these children He frequently called upon God for guidance never giving up Whether Christian or not parents are obligated to care for their children If they fail as parents society suffers Lack of respect dignity and immorality only serves to create a chaotic imbalance in society which has far reaching negative consequences Abortion is a very controversial and unnerving part of today s world Christians say abortion kills one of God s greatest gifts however do all treat this gift as coming from God Redundant questions seem to boggle the minds of all as God looks down Christianity refers to people as God s adopted children yet many of these children are abandoned even by Christians The author in his small circle of children pondered the question of abortion Distasteful as it may be these children are the unaborted children Society and Christians alike have failed to heed God s calling to care for these children There should be no homes with eight of these unaborted children Christians who abhor abortion should be lined up with outstretched arms to do God s work Don t rationalize your excuse by saying I can t do that What if Jesus said I can t die on the cross Don t tell the author and his wife they have a special place in heaven They just responded to God s calling Are we truly listening to God s plea There you have it a choice to accept God s
