10. *Journal of American Studies* is a leading international literature journal, covering contemporary American studies and publishing new research on the past. The magazine also features a regularly scheduled political commentary. Its pages feature a range of topics, from US history, culture, politics, and society to international relations and globalisation. The journal is published by Cambridge University Press.

This essay and the paragraph to come, all under continuous double-blind, computer-graded automatic scoring, estimate that you read extremely well. It is not on the cutting of the essay. It's simply to show what you have learned. There are also to be automatic grade changes to indicate, as well as the score, whether you have read all documents, or not, and whether you have read them well or not.
