*Gluten-free and sugar-free recipes 80 low-carb recipes that help fight celiac disease, diabetes and weight loss*

,2024-04-05 I am not sensitive to gluten as my previous books attest However neither am I immune to the dietary challenges brought about by the passionate consumption of products made with wheat as anyone who has seen me also knows There was a time when I was lean and mean and then I opened a bakery and began a love affair with bread products of all types Back in 1971 when I was twenty one I participated in a communally operated vegetarian restaurant in Boston in which no white flour white sugar or white rice was permitted to cross the threshold I read everything I could find on nutrition and various popular food philosophies of the time such as macrobiotics raw foods and sprouts wheat grass therapy food combining and juicing I even met Jack LaLanne one of my personal fitness heroes For three years I ate only organically grown food and unrefined whole grains and all of my childhood allergies and food sensitivities seemed to fade away At five feet six inches I weighed a lithe 136 pounds and felt great At the end of those three years we sold the restaurant and everyone moved on and in the next phase of my journey I once again became an omnivore Even as my weight gradually increased I maintained excellent health which I attributed to those three dynamic years of immersion in a healthful lifestyle By the time my wife Susan and I opened our own restaurant and bakery in 1986 I weighed 155 pounds and had become stocky When we sold the business seven years later I was up to 165 pounds and would have been heavier were it not for the daily physically intense work of baking thousands of loaves of bread which helped me burn off a lot of calories As soon as I stepped out of daily production and transitioned into teaching at culinary schools and writing books I started gaining more weight and quickly The accumulated effects of tasting glorious white flour breads of all types along with access to the handiwork of fabulous chefs and restaurants to which I lost all ability to say no caused my weight to balloon to over 200 pounds Searching for the perfect pizza as I researched my book American Pie didn't help either but I sure was having fun Fortunately I never stopped working out so even though I was to put it bluntly fat it was firm fat marbled with muscle Nonetheless it was cause for concern especially that most pernicious of fats belly fat So recently with Susan's encouragement I decided it was time to get serious about losing weight I had already met Denene Wallace a few years earlier at a private tasting of some of her gluten free products and was impressed with how good they were Gluten sensitivity is a subject I had been tracking since 1991 shortly after my first book Brother Juniper's Bread Book came out Around that time Loree Starr Brown who had been a regular customer at Brother Juniper's Bakery came in one day with a box of homemade breads and muffins based on the recipes in my book but all made with rice flour instead of wheat flour They were delicious Loree proceeded to educate me about celiac disease a medical condition that nearly killed her before it was finally diagnosed and treated by removing all traces of gluten from her diet **500 Ketogenic Recipes** Dana Carpender,2017-12-12 A comprehensive keto diet cookbook and ultimate starter guide to getting healthy building muscle and managing blood sugar

The ketogenic diet emphasizes high ratios of healthy fats moderate protein and low carbohydrate intake While the ketogenic diet isn't new there is newly emerging research that the ketogenic lifestyle may help reverse illness promote longevity and be the best diet for losing weight Millions of people are transitioning to a ketogenic diet to look and feel their best However doing the ketogenic lifestyle the right way isn't always easy How do you keep your macronutrients properly balanced Which foods are keto friendly and which aren't 500 Ketogenic Recipes is here with the answers Low carb queen and best selling author Dana Carpender shows how to live the ketogenic lifestyle deliciously with 500 easy to prepare recipes for everything from snacks and appetizers to main dishes to drinks and dessert 500 Ketogenic Recipes makes staying in the ketogenic zone simple with hundreds of recipes pantry and shopping lists and ketogenic dos and don'ts [The New 500 Low-Carb Recipes](#) Dana Carpender, 2018-12-04 Since its publication over 15 years ago 500 Low Carb Recipes has become a classic in the low carb community earning author Dana Carpender the affectionate moniker low carb queen from her fans The book is now a bestseller with over half a million copies sold Low carb cooking has evolved A decade ago low carb menus relied on ingredients like artificial sweeteners unhealthy vegetable oils protein additives and processed foods from grocery store shelves like low carb branded snack bars and packaged meals Today's low carb cooking is influenced by larger food movements such as clean eating farm to table ingredients higher fat ratios thanks to the popularity of ketogenic diets and less stigmatization of foods that have substantial inclusion in a low carb diet namely animal foods and saturated fat due to the growth of the Paleo and traditional foods movements The New 500 Low Carb Recipes is the beloved cookbook updated for today's low carb movement
