Homemade Healthy Food and Treats for Dogs Corinna Forbes, 2021-07-26 The health and well being of my dogs is what inspired me to create this cookbook I wanted my dogs to have the proper nutrition in their food and treats Also another reason I created this book is because at the time several dog food brands were being recalled and I was worried my dogs health was at risk if they were ingesting harmful ingredients In my research I found that dogs could actually eat a lot of the same foods people can eat So it seemed the next step would be to create recipes with a variety of ingredients for my dogs that they would enjoy My first step was to research approved ingredients for dogs Then as research expanded on other food types more variety of flavors seemed possible I was surprised at all the fruits and vegetables dogs can have My dogs and my friends and coworkers dogs were my taste testers So far no complaints For the most part the ingredients are inexpensive and if you grow them yourself it's even easier on the wallet The protein could be the ingredient that costs the most My dogs are so happy at lunchtime they cannot stand still while we are dishing out their food Our Bernese mountain dog jumps up to put her paws on the counter and drools while barking and my little one dances around on the floor In my research I found that homemade food could extend a dog's life by two years This book took approximately a year plus in the

making and I hope that other people and dogs enjoy the recipes as much I enjoyed creating them How to Start a Home-Based Bakery Business Detra Denay Davis,2011-01-11 Home based baking is one of America s best kept business secrets This sleeper industry offers even novice bakers the opportunity to bake from home for profit using tried and true recipes and equipment already on hand And yet its many rules and how tos are so elusive that few people out there who love to bake and dream of taking their products from the kitchen to the market actually end up doing so Enter How to Start a Home Based Bakery Business the first book to cover every essential aspect of planning starting and running such a business successfully **Dogs and Their People** BarkBox,2016 New York Times bestseller From the humans that brought you BarkBox and BarkPost and BarkShop finally comes Dogs and Their People Finally Bark some will make your heart ache while others will make it soar and others simply look really dapper in color All bring to life and celebrate the crazy consuming insatiable love we feel for the World s Ultimate Best Friend in a book that is the perfect gift for Dog Lovers everywhere
