Alzheimer's and other lifestyle diseases it is what we eat today that matters. These are my recipes for every day for everybody full of deep flavours and beautiful ingredients that will nourish you and your family. Nobody wants to eat worthy food that tastes like cardboard. For me food without flavour is unthinkable. And so is the notion of restricting whole food groups. My recipe for life is to have a healthy attitude to eating; it's all about balance, variety and choosing foods that give you the best chance of being in good health now and into your future. This is not a diet book; it's a way of life. This new edition includes recipes from my ABC TV show *Maggie Beer's Big Mission*. Maggie Beer, Maggie Beer and Professor Ralph Martins have teamed up to fight one of the most debilitating diseases of our later years. Based on the latest scientific research, Maggie has created more than 200 recipes that help provide the nutrients we need for optimum brain health. More than one million Australians are affected every day by Alzheimer's directly or indirectly, but the good news is that you can eat well to age well from this moment on. The proceeds from *Maggie's Recipe for Life* are shared between the Maggie Beer Foundation and the Lions Alzheimer's Foundation.
