Sauteed Mushrooms Recipe:

Sauteed Mushroom for Beginners and Dummies Lisa H Gregory Ph D, 2021-03-04 When it comes to cooking mushrooms there are really no rules for me Take a fat of your choice a couple of aromatics of your choice and your mushroom of choice season with salt and maybe pepper and let it cook until slightly golden and that's pretty much it As a mushroom lover there is no wrong way to cook or eat mushrooms in my book white button mushrooms are perfect for eating raw with creamy garlic hummus or throwing into a salad big portabellas are stuffed and baked or grilled with a light dressing shiitakes are great in a hot and sour soup Yes under extremely unfortunate circumstances you may overcook a mushroom if your heat is simply too high or if you leave them in the oven for hours until they're charcoal but in most instances mushrooms are one of those magical ingredients where you can do anything to them and they'll still come out delicious in the end This is a recipe for sauteed mushrooms but it is really just a handful of guidelines that you can take into consideration and completely change up
