child getting lost in the system becoming bored losing his or her natural eagerness to learn If so it may be time to take
charge of your child s education by doing it yourself The Well Trained Mind will instruct you step by step on how to give your
child an academically rigorous comprehensive education from preschool through high school one that will train him or her to
read to think to understand to be well rounded and curious about learning Veteran home educators Susan Wise Bauer and
Jessie Wise outline the classical pattern of education called the trivium which organizes learning around the maturing
capacity of the child s mind and comprises three stages the elementary school grammar stage when the building blocks of
information are absorbed through memorization and rules the middle school logic stage in which the student begins to think
more analytically and the high school rhetoric stage where the student learns to write and speak with force and originality
Using this theory as your model you ll be able to instruct your child whether full time or as a supplement to classroom
education in all levels of reading writing history geography mathematics science foreign languages rhetoric logic art and
music regardless of your own aptitude in those subjects Thousands of parents and teachers have already used the detailed
book lists and methods described in The Well Trained Mind to create a truly superior education for the children in their care
This extensively revised fourth edition contains completely updated curricula and book lists links to an entirely new set of
online resources new material on teaching children with learning challenges cutting edge math and sciences
recommendations answers to common questions about home education and advice on practical matters such as standardized
testing working with your local school board designing a high school program preparing transcripts and applying to colleges
You do have control over what and how your child learns The Well Trained Mind will give you the tools you ll need to teach
