Scanderbeg The Hero Of Europe:

Scanderbeg, the Hero of Europe Shpetim Lezi, 2014-12-19 Story of Scanderbeg in a nutshell In the 1400s the heroic Scanderbeg must defend Albania and Europe against the Ottoman Empire and his arch nemeses Murad II and his son Mehmed Scanderbeg after having been forced into service for Mehmed I and Murad II in Turkey returns home to Albania He tricks the Turkish soldiers stationed at the White Castle into leaving and regains his rightful place on the throne When Murad II hears this he makes it his life's work to overthrow Scanderbeg and return Albania to being a territory in the Ottoman Empire and use it to attack Rome and Western Europe Murad II is never successful and his son Mehmed makes it his mission as well Many battles ensue and Scanderbeg is betrayed by some of his closest friends but still his forces refuse to yield to the Ottomans Scanderbeg dies and it takes ten more years before Mehmed's troops are able to take the White Castle But Mehmed fails to capture Rome Even today Scanderbeg's heroism is remembered by many for defending Western Europe

Europe Since 1945 Bernard A. Cook, 2014-01-27 Europe Since 1945 An Encyclopedia is a comprehensive reference work of some 1 700 entries in two volumes Its scope includes all of Europe and the successor states to the former Soviet Union The volumes provide a broad coverage of topics with an emphasis on politics governments organizations people and events crucial to an understanding of postwar Europe Also includes 100 maps and photos **The State of Scanderbeg.**

Institutions and the Applied Law Bashkim Rrahmani, Majlinda Belegu, 2020-11-20 The book presents some selected thoughts and writings about the creation of the State of Scanderbeg and the law applied during the life of this state At the center of the paper is presented the way and the reasons which led towards the creation of the state of Scanderbeg along with the main features of this state including state institutions as well as the law created and applied in the territories of this state The authors contextualize this within the framework of the work that was done by several known authors that have dealt with Scanderbeg Altogether have described Scanderbeg using various resources but with different methods which lead to a conclusion that Scanderbeg was one of the most important personalities in the fifteenth century who managed to stop Turkish invasion towards the west for 25 years Thus the attributions as new Alexander the Great or the Athlete of Christ stand rightfully to this person who by created a unique state standing the in first line of front against the ottoman invasion

Travels in European Turkey, in 1850, through Bosnia, Serbia, Bulgaria, Macedonia, etc. and a homeward tour through Hungary and the Slavonian provinces of Austria on the Lower Danube Edmund SPENCER (Captain.), 1851 *Myths and Mythical Spaces* Claudia Lichnofsky, Enriketa Pandelejmoni, Darko Stojanov, 2017-12-04 This volume addresses textbooks written in the Albanian language and in use in Albania Kosovo Macedonia and Serbia Political myths and mythical spaces play a key role in shaping processes of identity building concepts of self and other and ideas pertaining to the location of the self and nation within a post conflict context The Albanian case is particularly interesting because the majority of Albanians live outside the borders of Albania despite the existence of the nation state which gives rise to fascinating complexities

regarding the shaping of national identities and myths surrounding concepts of self and other What textbooks teach is always of political interest as they represent society's intentions for its next generation This renders identity building processes via textbooks in this context a particularly fascinating topic for research here examined through the lens of myths and mythical spaces

Animals on the Edge Katja Falt, 2023-12-31 Was there a horse sense in the medieval period Why did word licking dogs inhabit manuscript borders The seven intriguing articles in this publication explore animals on the edge and the boundaries between humans and animals These articles provide insights into the discussions in animal studies and medieval studies about the multiple roles of medieval fauna challenging our understanding of how animals were understood in the Middle Ages The authors of the articles demonstrate how humans have always constructed animals but also have been constructed by animals The examples are drawn from manuscripts fables textual and visual accounts as well as material culture This publication raises interesting aspects about the profound and ambiguous relationship between animals and humans edges and boundaries hybridity and anthropomorphism ideas and identities

One Europe, Many Nations James B. Minahan, 2000-07-30 Dominating world politics since 1945 the Cold War created a fragile peace while suppressing national groups in the Cold War's most dangerous theater Europe Today with the collapse of Communism the European Continent is again overshadowed by the specter of radical nationalism as it was at the beginning of the century Focusing on the many possible conflicts that dot the European landscape this book is the first to address the Europeans as distinct national groups not as nation states and national minorities It is an essential guide to the national groups populating the so called Old World groups that continue to dominate world headlines and present the world community with some of its most intractable conflicts While other recent reference books on Europe approach the subject of nations and nationalism from the perspective of the European Union and the nation state this book addresses the post Cold War nationalist resurgence by focusing on the most basic element of any nationalism the nation It includes entries on nearly 150 groups surveying these groups from the earliest period of their national histories to the dawn of the 21st century In short essays highlighting the political social economic and historical evolution of peoples claiming a distinct identity in an increasingly integrated continent the book provides both up to date information and historical background on the European national groups that are currently making the news and those that will produce future headlines

Travels in European Turkey, in 1850 Edmund Spencer, 1851

The Heroes of Defeat William Jackson Armstrong, 1905

Albanian Identity in History and

Traditional Performance Eno Koço, 2021-07-05 This book represents a group of individual musical essays collected under common Albanian themes with a particular focus on historical identities and traditional musical performance It shows that at the beginning of the 18th century there was a growing interest in representing the Albanian hero Scanderbeg on the operatic stage as some well known composers of baroque music began to place a greater emphasis on music's dramatic power to elicit emotional response The book also notes that this sense of drama was also incorporated into the vocal forms such as opera

American, African, and Old European Mythologies Yves Bonnefoy, 1993-05-15 Here are 80 articles on mythologies from around the world including Native Americans African Celtic Norse and Slavic and about such topics as fire the cosmos and creation Also includes an overview of the Indo Europeans and an essay on the religions and myths of Armenia Illustrations
