Looking like a Language, Sounding like a Race Jonathan Rosa, 2018-12-14 *Looking like a Language Sounding like a Race* examines the emergence of linguistic and ethnoracial categories in the context of Latinidad The book draws from more than twenty four months of ethnographic and sociolinguistic fieldwork in a Chicago public school whose student body is more than 90% Mexican and Puerto Rican to analyze the racialization of language and its relationship to issues of power and national identity It focuses specifically on youth socialization to U S Latinidad as a contemporary site of political anxiety raciolinguistic transformation and urban inequity Jonathan Rosa s account studies the fashioning of Latinidad in Chicago s highly segregated Near Northwest Side he links public discourse concerning the rising prominence of U S Latinidad to the institutional management and experience of raciolinguistic identities there Anxieties surrounding Latinx identities push administrators to transform at risk Mexican and Puerto Rican students into young Latino professionals This institutional effort which requires students to learn to be and

importantly sound like themselves in highly studied ways reveals administrators attempts to navigate a precarious urban terrain in a city grappling with some of the nation s highest youth homicide dropout and teen pregnancy rates Rosa explores the ingenuity of his research participants responses to these forms of marginalization through the contestation of political ethnoracial and linguistic borders **The Pinocchio Effect** Elizabeth Janson,2019-11-26 Automatization and systematic exclusion are beyond common sense within U S public schools The failure to address social problems spills over to schools where youth who refuse to conform to the broken system are labelled as deviant and legitimately excluded Students who conform are made real by the system and allowed back into society to keep manufacturing the same inequalities This is the Pinocchio Effect It involves the legitimization of hegemonic knowledge and the oppression of bodies mind and spiritualities The book analyzes the impact of colonialities within U S public education by examining the learning experiences that influence teachers and students spiritualities affecting the construction and oppression of their identities Consequently the author examines how educators can decolonize the classroom which functions as a political arena as well as a critical space of praxis in order to reveal how realities and knowledges are made nonexistent an epistemic blindness and privilege
