Violence Prevention Ice Breakers:

The Youth Relationships Manual David A. Wolfe,1996-04 Designed to combat physical and sexual aggression against women and children this prevention programme manual is based on the premise that the best opportunity for promoting healthy non violent relationships is to intervene during adolescence when peer relationships and interpersonal style become firmly established The proactive competency enhancing programme is designed to build strengths resilience and coping skills in young people Carefully developed and tested in the field the 18 session group training programme has three principal sections covering informational skill building and social action learning opportunities The manual provides a detailed curriculum for the programme which is designed for eight to

Preventing Violent Radicalisation in Europe Patrizia Meringolo,2020-10-03 This book brings together the latest literature and European experiences on preventing youth violent radicalisation and violent actions in intergroup relations Youth violent radicalisation is a significant problem within the European context and requires an exploration of how various social actors can play an active role in preventing radicalisation in minors and young adults This complex issue needs to be explored through a multidisciplinary approach and effective operational models are needed in order to tackle it This book describes the theoretical framework for such an approach in all its facets The book s originality lies in its psychosocial and participatory approach aimed at improving results through professional training and community empowerment for building trusting relationships and educational activities It also proposes alternative narratives which are a way of representing people and groups within a social context thereby overcoming stereotyped visions and stigma This book focuses on participation and communication among stakeholders social inclusion strengthening democratic values and pursuing a proactive instead of a reactive approach to preventing radicalisation Highly topical the book will appeal to researchers and students of the social and behavioural sciences interested in youth radicalisation including social work and social policy as well as practitioners working within the juvenile justice system

Sueños Americanos Julio Cammarota,2016-10-01

Education is a primary route to rewarding employment and economic security It is particularly significant for the future prospects of children who are ethnic minorities were born into disadvantaged economic circumstances or are dealing with language barriers For nearly a decade Julio Cammarota interviewed and observed Latino youth between the ages of seventeen and twenty four who lived in a barrio in a city on the California coast He conducted forty life interviews selecting six people to investigate in depth Twenty of the study participants worked at a fast food restaurant while the other twenty worked at a community cultural center Focusing on the experiences of his subjects in the primary settings of family work and school Cammarota structured his research to examine how Latino youth negotiate myriad social conditions and hostile economic and political pressures in their daily lives His extensive interviews and incisive

analyses illuminate the complex relationships among low wage employment cultural standards education class oppression and gender expectations Among other topics Cammarota investigates how working affects Latino education how gender influences social relationships and life choices how Latinos and Latinas try to maintain their distinct ethnic identity while attempting to transcend marginalization whether the Latino culture helps young people work hard for their families and for a better future and how the connections and disconnections among work family and school constitute formative processes that shape the cultural identities of Latino youth One of the most extensive studies of barrio youth available Sue os Americanos concludes with a discussion of social justice education for Latino youth and how this educational approach meets their academic needs while providing opportunities for self determination and community activism Leadership Education and Training (LET) 1 ,2001 National Conference on Drug Abuse Prevention Research, 1996 Susan L. David,2000-07 Proceedings of a conference sponsored by the Nat Institutes of Health in Wash DC Sep 19 20 1996 Research and community practitioners worked together to review the research on drug abuse prevention explored its ramifications for individuals families and communities and developed recommendations for future collaborations and applications of this knowledge in settings across the country Keynote addresses were given by Donna E Shalala Ph D Sec of Health and Human Services and Gen Barry Barry R McCaffrey Dir of the Office of National Drug Control Policy Includes a list of conference speakers and panel and work group participants America in Jeopardy: Trainer's manual ,1994
