comprehensive Recommended *Autobiographical Writing and British Literature 1783-1834* James Treadwell,2005-01-20 The word autobiography is a late eighteenth century coinage yet by 1826 it was used as the title for a multi volume anthology of self writing and in 1834 Thomas Carlyle wrote of these Autobiographical times of ours Over the course of those few decades readers and writers came to recognize and name a new genre This book is the first full study of the phenomenon examining both the conditions and the practice of autobiographical writing in Romantic literature Historians of autobiography have often pointed to the turn of the nineteenth century as a pivotal moment In Rousseau and De Quincey s Confessions Wordsworth s Prelude and other canonical documents it has been argued self writing begins to serve the purpose of expressing the individuality autonomy and interiority of the self A more wide ranging view of the actual state of autobiography at the time exposes this narrative as a misrepresentation Self writing does gain a new kind of prominence around 1800 not however because it articulates Romantic ideologies of selfhood but because it becomes a focus of scrutiny and of contention The decades of the Romantic period identified themselves as Autobiographical times but did so anxiously This book asks what forms did that recognition and that anxiety take within the literary culture of the period What did autobiography mean to Romantic readers and writers How do autobiographical texts of the period reflect express and negotiate these conditions As well as reading a wide variety of those documents with single chapters devoted to works by Coleridge Byron and Lamb Treadwell examines writing on and around autobiography essays reviews and other forms of commentary By preserving a continuous relation between the texts and their contexts this book offers the first proper study of what is actually meant by Romantic autobiography

Trollope and Anita Shreve Amanda Brookfield's *The Love Child* is a profoundly moving story about the redeeming power of love. What readers are saying about Amanda Brookfield: Excellent characterisation, well written and pretty absorbing. This book has got me over my reading slump. I'm now off to buy more of her books. Highly recommend it if you want a gentle read about family, friendship and finding yourself. Really enjoyed reading about all of the characters. I could read it again. I read it so fast I couldn't put it down. Very well written. I will definitely read more from this author in the future. Brilliant book just when I thought I knew what was going to happen, another twist popped up. Had me picking it up whenever I had the chance. A great story, great characters, vivid, immediate, so real, and such compassion. Every bit a page turner as Brookfield so gets you into her people. If you like reading really well written real life novels about your relationships, try this. Praise for Amanda Brookfield: An engaging, emotionally charged and intriguing story. Michelle Gorman: No one gets to the heart of human relationships quite so perceptively as Brookfield. *The Mirror*: Unputdownable. Perceptive. Poignant. I loved it. The contributors, whose disciplines include anthropology, art history, education, film history, linguistics, literature, performance studies, philosophy, sociology, translation and visual arts, examine the complex interplay between

language literature arts and the visual and virtual domains of expressive culture The twenty five essays explore various patterns of writing practices arising from contemporary and historical forces that have impacted the literatures and cultures of Benin Cameroon Cote d'Ivoire Egypt Guadeloupe Haiti Martinique Morocco Niger Reunion Island and Senegal Special attention is paid to how scripts though appearing to be merely decorative in function are often used by artists and performers in the production of material and non material culture to tell stories of great significance combining words and images in a way that leads to a creative synthesis that links the local and the global the classical and the popular in new ways
