

Honors World Literature Research Paper

Write a literary research paper about an aspect of one of the larger works we've done this year.

Options: *To Kill a Mockingbird*, *Siddhartha*, *Romeo and Juliet*, *Julius Caesar*

In short, here is a summary of this paper. First, you figure out what aspect of the novel/play most interests you. Next, you have a look at the list of questions below to see which one most appeals to you based on the aspect(s) of the novel/play that interest you. Once you have selected the question about which you would like to write, you will formulate a thesis statement. A thesis statement states what your paper is going to prove. In other words, your paper is going to **prove** something, not be *about* something. Once you have decided on a thesis statement, you look for information supporting your argument. Then, you write your paper, integrating your research.

Not a thesis statement: My paper is going to be about racism in *To Kill a Mockingbird*.

Thesis statement: Harper Lee's novel, *To Kill a Mockingbird*, is an accurate representation of racism in the South during the 1930s.
