around several key aspects of the game. It presents the expansion of the garrison starting with obtaining resources, the suggested way to expand the fortress at the beginning of the game, and a detailed description of the available buildings including the profits that they ensure. It also presents the system of recruitment of followers and of dispatching them on missions. Another element of this guide which is also important is the description of all the dungeons available in Warlords of Draenor. The description of each of the dungeons focuses predominantly on the battles with individual bosses, their attacks, their weaknesses, and the ways to fight them. The next part of this guide presents all of the mounts that this expansion pack introduces along with a short description of how such a mount can be obtained. The last part of the guide presents the suggested add-ons to the game thanks to which it becomes less tedious as regards some of its aspects including the mod management, client installation process. The second part of this guide is intended for the intermediate players although also hardcore veterans of the World of Warcraft may find interesting information there. Warlords of Draenor is the fifth expansion pack for the most famous MMO in the world, World of Warcraft. It introduces thousands of new quests into the game, a continent that has been designed in detail, 8 new instances, and several new elements of the gameplay. *World of Warcraft Atlas* BradyGames, 2005.
