Significant Others Monte Cox, 2017-09-12 A generation ago most Americans had little or no contact with Muslims Hindus Buddhists or any other adherents of non Christian religions Now our culture is much more pluralistic In addition to these others many Westerners disenchanted with Christianity are more inclined than they were a generation ago to dabble in new spiritual alternatives that were not as readily available here before Many Christians feel intimidated by these changes Many Christians don t know how to engage their newest non Christian neighbors in conversation partly because they feel ignorant about the religions practiced by others *Significant Others* seeks to fill this knowledge gap so readers will become more acquainted with the religious backgrounds of devout non Christians they are meeting as well as with the growing number of American people who claim no religious affiliation at all Each chapter outlines the major world religions according to their significant founders or leading figures significant beliefs and practices significant sects and developments and significant points of contact and points of contrast with Christian faith

Nine Nights of Power Ute Hüsken, Vasudha Narayanan, Astrid Zotter, 2021-10-01 The autumnal Navar tri festival also called Durg P j Dassehra or Dasain is the most important Hindu festival in South Asia and wherever Hindus settle A nine

night long celebration in honor of the goddess Durg it ends on the tenth day with a celebration called the victorious tenth vijayada am The rituals that take place in domestic royal and public spaces are closely connected with one's station in life and dependent on social status economic class caste and gender issues Exploring different aspects of the festival as celebrated in diverse regions of South Asia and in the South Asian diaspora this book addresses the following common questions What does this festival do What does it achieve and how Why and in what way does it sometimes fail How do mass communication and social media increase participation in and contribute to the changing nature of the festival The contributors address these questions from multiple perspectives and discuss issues of agency authority ritual efficacy change appropriation and adaptation Because of the festival's reach beyond its diverse celebrations in South Asia its influence can be seen in the rituals and dances in many parts of Western Europe and North America

Contemporary Materialism: Its Ontology and Epistemology Gustavo E. Romero, Javier Pérez-Jara, Lino Camprubí, 2022-06-01 This book provides an up to date revision of materialism's central tenets its main varieties and the place of materialistic philosophy vis à vis scientific knowledge Materialism has been the subject of extensive and rich controversies since Robert Boyle introduced the term for the first time in the 17th century But what is materialism and what can it offer today The term is usually defined as the worldview according to which everything real is material Nevertheless there is no philosophical consensus about whether the meaning of matter can be enlarged beyond the physical As a consequence materialism is often defined in stark exclusive and reductionist terms whatever exists is either physical or ontologically reducible to it This conception if consistent mutilates reality excluding the ontological significance of political economic sociocultural anthropological and psychological realities Starting from a new history of materialism the present book focuses on the central ontological and epistemological debates aroused by today's leading materialist approaches including some little known to an anglophone readership The key concepts of matter system emergence space and time life mind and software are checked over and updated Controversial issues such as the nature of mathematics and the place of reductionism are also discussed from different materialist approaches As a result materialism emerges as a powerful indispensable scientifically supported worldview with a surprising wealth of nuances and possibilities
