Rosa Parks: My Story

On the evening of December Rosa Parks decided that she was going to sit in the white people section on the bus in Montgomery, Alabama. During this time blacks had to give up there seats to whites when more whites got on the bus. Rosa Parks refused to give up her seat. Her and the bus driver began to talk and the conversation went like this. "Let me have those front seats" said the driver. She didn't get up and told the driver that she was tired of giving her seat to white people. "I'm going to have you arrested," said the driver. "You may do that," Rosa Parks responded. Two white policemen came in and Rosa Parks asked them "why do you all push us around?" The police officer replied and said "I don't know, but the law is the law and you're under arrest."

California Occident, 1889 *Be the Best Bad Presenter Ever* Karen Hough, 2014-05-13 Karen Hough doesn't want you to be perfect. People fear public speaking because they worry about having to conform to all sorts of handed-down rules that tie them up in knots and put their audiences to sleep. It's authenticity and passion that win people over, she says, not polish. But you can't be authentic if you're following guidelines that drain the life and personality out of your presentation. Hough debunks over a dozen myths about presenting to make it more fun and natural for everyone. She explains how practicing in front of a mirror makes you worse, why you should never end with questions, and much more. She includes true stories of people who not only were able to become great presenters by being bad but actually came to enjoy it. Like them by following Karen Hough's wise and witty advice; you'll be able to tear up the old rules and embrace and develop your own style. You'll be freed to be a living, breathing, occasionally clumsy human being whose enthusiasm is powerful and infectious. *A Modern Approach to Evidence* Richard O. Lempert, Stephen A. House of Commons, 1902 *The World's Paper Trade Review*, 1922 **It Was the Best of Sentences, It Was the Worst of Sentences** June Casagrande, 2010-07-27 In this wickedly humorous manual, language columnist June Casagrande uses grammar and syntax to show exactly what makes some sentences great and other sentences suck. Great writing isn't born; it's built sentence by sentence. But too many writers and writing guides overlook this most important unit. The result: Manuscripts that will never be published and writing careers that will never begin. With chapters on Conjunctions That Kill and Words Gone Wild, this lighthearted guide is perfect for anyone who's dead serious about writing, from aspiring novelists to nonfiction writers, conscientious students to cheeky literati. So roll up your sleeves and prepare to craft one bold, effective sentence after another. Your readers will thank you. **Our Paper**, 1897 **Economic Inequality, Neoliberalism, and the American Community College** Patrick Sullivan, 2017-05-11 This book aims to deepen public understanding of the community college and to challenge our longstanding reliance on a deficit model for defining this important, powerful, and transformative institution. Featuring a unique combination of data and research, Sullivan seeks to help redefine, update, and reshape public perception about community colleges. This book gives serious attention to student voices and includes narratives written by community college students about their experiences attending college at an open admissions institution. Sullivan examines the history of the modern community college and the economic model that is driving much of the current discussion in higher education today. Sullivan argues that the community college has done much to promote social justice and economic equality in America since the founding of the modern community college in 1947 by the Truman Commission. **The Worst Day I Ever Had** Fred McMane, Cathrine Wolf, 1991 Thirteen prominent sports figures, including Martina Navratilova and Magic Johnson, tell of their biggest blunders and heartbreaks and how they managed to recover and go on to greater glory. **Journal of the American Medical Association** American Medical Association, 1894 Includes proceedings of the
