Worth The Chance Mma Fighter Series English Edition:

All Grown Up Vi Keeland, 2019-07-08 A new sexy standalone from 1 New York Times Bestseller Vi Keeland When I first encountered Ford Donovan I had no idea who he was well other than the obvious Young gorgeous successful smart Did I mention young If I did it bears repeating Ford Donovan was too young for me Let s back up to how it all started My best friend decided I needed to start dating again So without my knowledge she set up a profile for me on a popular dating site one that invited men ages twenty one to twenty seven to apply for a date Those nicknamed Cunnilingus King were told they d go straight to the top for consideration The profile wasn t supposed to go live Another point that bears repeating it wasn t supposed to Nevertheless that s how I met Ford and we started messaging He made me laugh yet I was adamant that because of his age we could only be friends But after weeks of wearing me down I finally agreed to one date only my first after twenty years of being with my high school sweetheart I knew it couldn t last but I was curious about him Though you know what they say curiosity kills the cat My legs wobbled walking into the restaurant Ford was seated at the bar When he turned around he took my breath away His sexy smile nearly melted my panties But he looked so familiar As I got closer I realized why He was the son of the neighbor at our family s summer home The boy next door Only now he was all man I hadn t seen him in years I left the restaurant and planned to put the entire crazy thing behind me Which I did Until summer came And guess who decided to use his family s summer home this year

The Baller Vi Keeland, 2016-01-18 From New York Times USA Today Bestseller Vi Keeland comes a sexy new novel The first time I met Brody Easton was in the men s locker room It was my first interview as a professional sportscaster The famed quarterback decided to bare all And by all I don t mean he told me any of his secrets No The arrogant ass decided to drop his towel just as I asked the first question On camera The Super Bowl MVP quickly adopted a new hobby screwing with me When I pushed back he shifted from wanting to screw with me to wanting to screw me But I don t date players And it s not because I m one of the few women working in the world of professional football I d date an athlete It s the other kind of player I don t date You know the type Good looking strong cocky always looking to get laid Brody Easton was the ultimate player Every woman wanted to be the one to change him But the truth was all he needed was a girl worth changing for Turned out I was that girl Simple right Let s face it It never is There s a story between once upon a time and happily ever after And this one is ours Author s note The Baller is a full length standalone novel Due to strong language and sexual content this book is not intended for readers under the age of 18

Bossman Vi Keeland, 2016-07-18 From New York Times Bestseller Vi Keeland comes a sexy new standalone novel The first time I met Chase Parker I didn t exactly make a good impression I was hiding in the bathroom hallway of a restaurant leaving a message for my best friend to save me from my awful date He overheard and told me I was a bitch then proceeded to offer me some dating advice So I told him to mind his own damn business his own tall gorgeous full of himself damn business and went back to my miserable date When he walked by my table he smirked and I watched his arrogant sexy ass

walk back to his date I couldn't help but sneak hidden glances at the condescending jerk on the other side of the room Of course he caught me on more than one occasion and winked When the gorgeous stranger and his equally hot date suddenly appeared at our table I thought he was going to rat me out But instead he pretended we knew each other and joined us telling elaborate embarrassing stories about our fake childhood My date suddenly went from boring to bizarrely exciting When it was over and we parted ways I thought about him more than I would ever admit even though I knew I'd never see him again I mean what were the chances I'd run into him again in a city with eight million people Then again What were the chances a month later he'd wind up being my new sexy boss

We Shouldn't Vi Keeland, 2019-01-21 From 1 New York Times Bestseller Vi Keeland comes a new sexy standalone novel Bennett Fox walked into my life on one hell of a crappy Monday morning I was late for the first day at my new job a job I'd now have to compete for even though I'd already worked eight years to earn it because of an unexpected merger While I lugged my belongings up to my new office a meter maid wrote me a parking summons She'd ticketed a long line of cars except for the Audi parked in front of me which happened to be the same make and model as mine Annoyed I decided to regift my ticket to the car that had evaded a fine Chances were the owner would pay it and be none the wiser Except I accidentally broke the windshield wiper while slipping the ticket onto the car's window Seriously my day couldn't get any worse Things started to perk up when I ran into a gorgeous man in the elevator We had one of those brief moments that only happened in movies You know the deal your body lights up fireworks go off and the air around you crackles with electricity His heated stare left me flush when I stepped off the elevator Maybe things here wouldn't be so bad after all Or so I thought Until I walked into my new boss's office and met my competition The gorgeous man from the elevator was now my nemesis His heated stare wasn't because of any mutual attraction It was because he'd saw me vandalize his car And now he couldn't wait to annihilate his rival There's a fine line between love and hate and we shouldn't cross it We shouldn't but straddling that line could be so much fun

The Naked Truth Vi Keeland, 2018-07-23 From 1 New York Times Bestseller Vi Keeland comes a new sexy standalone novel It was just a typical Monday Until the big boss asked me to make the pitch for a prospective new client After two years on shaky ground at work because of my screw up an opportunity to impress the senior partners was just what I needed Or so I thought Until I walked into the conference room and collided with the man I was supposed to pitch My coffee spilled my files tumbled to the ground and I almost lost my balance And that was the good part of my day Because the gorgeous man crouched down and looking at me like he wanted to eat me alive was none other than my ex Gray Westbrook A man who I'd only just begun to move on from A man who my heart despised yet my body obviously still had other ideas about A man who was as charismatic and confident as he was sexy Somehow I managed to make it through my presentation ignoring his intense stare Although it was impossible to ignore all the dirty things he whispered into my ear right after I was done But there was no way I was giving him another chance especially now that he was a client was there

that I was going to change the perception of the world not because I was the smartest but because I was the most stubborn So what is your struggle What are you willing to do to win Remember no one is going to give you anything You have to fight as if your life depends on it Because at the end of the day it depends Get up get ready and face the fight The world will not wait for you And when you get there look back and be thankful for all the difficult moments because they were the ones that transformed you into the person you were born to be
