## Virginia Journal Guide:

The Chronological History of the Roanoke Missionary Baptist Association and Its Founders from 1866-1966 DR.

LINWOOD MORINGS BOONE, 2012-03-06 The author has wonderfully traced the origins of the Roanoke Missionary Baptist Association and its Founders from 1866 to 1966. He has included brief but substantive narratives of the lives of the Founding Fathers namely L W Boone, Z H Berry, H H Hays, C E Hodges, C E Johnson, William Reid, Emanuel Reynolds and others. Sufficient attention has been given to the activities of the Women Missionary and Education Union. Pictures and narratives of 10 of its previous presidents have been enshrined in the chapter entitled Woman. What of our Past. Historical sketches and pictures of selected churches within the Roanoke Missionary Baptist Association display the far reaching effects of the Founding Fathers. The concluding chapter details the founding of the West Raonoke Missionary Baptist Association from the Roanoke Missionary Baptist Association. Dr Boone has taken the Bataan from others who knew that this important historical contribution needed to be gathered, appreciated, shared and celebrated for a job well done. Unfortunately no one was able to consistently pursue this great endeavor before Dr Boones extensive and exhaustive work represented here. Massive in its scope the volume guides the reader in a comprehensive and challenging look at the origin and the significance of the Roanoke Missionary Baptist Association and the importance of the Founding Fathers and the work with the North Carolina and Virginia abolitionist. The lives of the Founding Fathers and the lives of the first three generations of pastors and officials are succinctly presented as they lifted up the essential meaning of liberation for the pastor and the local congregations in northeastern North Carolina. The History of the Roanoke Missionary Baptist Association from 1866-1966 provides critical resources for the study of the formation of this grand institution. Dr Boone has put in place a solid foundation that can be built upon as new information becomes available. He is married to the former Amanda Battle of Richmond VA. They reside in Hampton Roads Virginia.

**Law and Society in the South** John W. Wertheimer, 2021-12-14 Law and Society in the South reconstructs eight pivotal legal disputes heard in North Carolina courts between the 1830s and the 1970s and examines some of the most controversial issues of southern history including white supremacy and race relations, the teaching of evolution in public schools and Prohibition. Finally the book explores the various ways in which law and society interacted in the South during the civil rights era. The voices of racial minorities, some urging integration, others opposing it, grew more audible within the legal system during this time. Law and Society in the South divulges the true nature of the courts as the unpredictable venues of intense battles between southerners as they endured dramatic changes in their governing values.
