**Biolog** ,1998 **#Loneliness**

Tony Jeton Selimi, 2020-06-10 So connected we disconnected and find ourselves desperately alone drowning in an ocean of infinite possibilities A masterpiece that beautifully demystifies the evolutionary role of loneliness echoes a powerful existential message for mankind and amplifies people's faith in the power of love Jack Canfield Co creator of Chicken Soup for the Soul Meticulously researched and written Loneliness The Virus of the Modern Age explores the fierce scientific psychological and spiritual impact of loneliness a problem that has become an ironic epidemic in a world that is more interconnected than ever before In a world where communication is instant where billions of people can interact at just a moment's notice it will come as a shock to many to learn that loneliness is an epidemic more rampant and destructive than at any point in history Almost everyone faces adversity from the isolation that causes us some degree of depression anxiety or diminished self esteem We have become accustomed to a new way of being alone together in a technological cocoon that covers up our real pain Our true essence is hidden behind facades that we show to the world from the fear of being judged criticized and rejected This is what brings us out of a natural state of healthy balance is the root cause of disease and what creates the segregation experienced worldwide Loneliness is a global call for people to redefine themselves in the face of life's most significant challenges Comforting moving and spiritually practical this book is a guide to help you break through your apparent loneliness and shift you toward crowd nurtured world peace and the next stage in our evolution Loneliness not only disintegrates your mental and physical health but also infects your genome and leads to multiple changes while painting a dark and negative picture of the world around you The most surprising thing to learn is that today's obsession with technology does nothing more than simply awaken the segregation discord and loneliness already inside us all which further spirals our moods and outlook Read this book to make you aware of that problem create a road map that safely guides you

out of your dis empowered states and empower yourself to redefine the meaning of your life so you can overcome adversity with ease and build the happiness and prosperity you so deeply crave Use it to reveal how inner discord creates your deceptive loneliness which is spontaneously appearing around the world in the form of war racism nationalism xenophobia homophobia illness high divorce rates financial crisis and so much more A life manual that shows you how to extract wisdom from every life adversity so you become a more balanced mindful and heart centred individual leader parent teacher and human being If you let it each page will guide you and encourage you to make the changes that your soul is craving The principles and ideas shared will teach you how to listen to your heart in ways you didn t know possible amplify your awareness and ultimately break free of the cocoon that is stopping you from seeing and embracing the beauty of this world But it goes beyond you as individuals it will teach you how to unite and ignite humanity s collective voice so we can progress to the next stage of our evolution If this is you calling then get this book to breakthrough loneliness and live a more connected and love infused life      **Plunkett's Telecommunications Industry Almanac** Jack W.
