Vision And Difference Feminism Femininity And Histories Of Art:

Vision and Difference Griselda Pollock, 2003 Griselda Pollock provides concrete historical analyses of key moments in the formation of modern culture to reveal the sexual politics at the heart of modernist art Crucially she not only explores a feminist re reading of the works of canonical male Impressionist and Pre Raphaelite artists including Edgar Degas and Dante Gabriel Rossetti but also re inserts into art history their female contemporaries women artists such as Berthe Morisot and Mary Cassatt Pollock discusses the work of women artists such as Mary Kelly and Yve Lomax highlighting the problems of working in a culture where the feminine is still defined as the object of the male gaze Now published with a new introduction Vision and Difference is as powerful as ever for all those seeking not only to understand the history of the feminine in art but also to develop new strategies for representation for the future

Vision and Difference Griselda Pollock, 1988 The publication of Vision and Difference marked a milestone in the development of modern art history Its introduction of a feminist perspective into this largely male oriented discipline made shockwaves that are still felt forcefully today Drawing upon feminist cultural theory previously little applied to the visual arts Griselda Pollock offers concrete historical analyses of key moments in the formation of modern culture to reveal the sexual politics at the heart of modernist art Crucially she not only provides a feminist re reading of the work of canonical male Impressionist and Pre Raphaelite artists including Edgar Degas and Dante Gabriel Rossetti but also re inserts into art history their female contemporaries women artists such as Berthe Morisot and Mary Cassatt Casting her critical eye over the contemporary art scene Pollock discusses the work of women artists such as Mary Kelly and Yve Lomax highlighting the problems of working in a culture where the feminine is still defined as the object of the male gaze Now published with a new introduction by Griselda Pollock Vision and Difference remains as powerful and as essential reading as ever for all those seeking not only to understand the history of the feminine in art but also to develop new strategies for representation for the future

An Analysis of Griselda Pollock's Vision and Difference Karina Jakubowicz, 2018-02-21 Vision and Difference published in 1988 is one of the most significant works in feminist visual culture arguing that feminist art history of is a political as well as academic endeavour Pollock expresses how images are key to the construction of sexual difference both in visual culture and in broader societal experiences Her argument places feminist theory at the centre of art history proffering the idea that a feminist understanding of art history is an analysis of art history itself This text remains key not only to understand feminine art historically but to grasp strategies for representation in the future and adding to its contemporary value

Didi-Huberman and the image Chari Larsson,2020-09-29 Philosopher and art historian Georges Didi Huberman is one of the most innovative and influential critical thinkers writing today This book is the first English language study of his writing on images An image is a form of representation but what are the philosophical frameworks supporting it The book considers how Didi Huberman takes up this question repeatedly over the course of his career Placing his project in relation

to major historical and intellectual contexts it shows not only how he modifies dominant disciplinary traditions but also how the study of images is central to a new way of thinking about poststructuralist inspired art history *Mormon Visual Culture and the American West* Nathan Rees, 2021-03-17 This book explores the place of art in Latter day Saint society during the first 50 years of the Utah settlement beginning in 1847 Nathan Rees uncovers the critical role that images played in nineteenth century Mormon religion politics and social practice These artists not only represented but actively participated in debates about theology politics race gender and sexuality at a time when Latter day Saints were grappling with evolving doctrine conflict with Native Americans and political turmoil resulting from their practice of polygamy The book makes an important contribution to art history Mormon studies American studies and religious studies *The Handbook of Visual Culture* Ian Heywood, Barry Sandywell, 2017-04-20 Visual culture has become one of the most dynamic fields of scholarship a reflection of how the study of human culture increasingly requires distinctively visual ways of thinking and methods of analysis Bringing together leading international scholars to assess all aspects of visual culture the Handbook aims to provide a comprehensive and authoritative overview of the subject The Handbook embraces the extraordinary range of disciplines which now engage in the study of the visual film and photography television fashion visual arts digital media geography philosophy architecture material culture sociology cultural studies and art history Throughout the Handbook is responsive to the cross disciplinary nature of many of the key questions raised in visual culture around digitization globalization cyberculture surveillance spectacle and the role of art The Handbook guides readers new to the area as well as experienced researchers into the topics issues and questions that have emerged in the study of visual culture since the start of the new millennium conveying the boldness excitement and vitality of the subject **The Household** Tara McDowell, 2019-10-01 How the poet Robert Duncan and the artist Jess made the household part of their separate and collaborative creative practice I m a householder the poet Robert Duncan once explained My whole idea of being able to work was to have a household In this book Tara McDowell examines the household physical and conceptual that Duncan established with the artist Jess beginning in 1951 when the two men exchanged marriage vows and ending with Duncan s death in 1988 For Duncan and Jess the household rather than the studio gallery or collective provided the support structure for their art Indeed McDowell argues convincingly their work was coextensive with their household The material surroundings of their house in San Francisco and the daily rhythms of their domestic lives became part of their creative practice Duncan wrote poetry that is romantic ornate and obscure Jess born Burgess Franklin Collins created multi imaged complex collages and assemblages McDowell explores their life and work reading Duncan and Jess with and against each other in alignment and misalignment She examines their illustrated book *Caesar s Gate* a collaborative effort that led them to reject collaboration considers each man s lifelong preoccupation with an unfinished project Jess s *Narkissos* and Duncan s *The H D Book* and discusses their origin myths and self made genealogies describing them as a form of witness in the face of the calamities of the twentieth

century Duncan and Jess made the household a necessary precondition for their art making Doing so they reclaimed and rehabilitated the domestic from which gay couples were traditionally excluded for their own uses The household permitted them to reimagine the world McDowell s portrait of a couple expands to encompass broader issues urgent in midcentury America and still resonant today belonging and kinship alienation and catastrophe

The Historical Contexts and Contemporary Uses of Mass Observation Lucy D. Curzon, Benjamin Jones, 2024-10-17 The Historical Contexts and Contemporary Uses of Mass Observation embraces new approaches and themes that highlight Mass Observation s long history as an innovative research organization a social movement and an archival project Spanning the period from Mass Observation s inception to the present day essay authors discuss a wide range of topics including anthropology history popular politics cultural studies literature selfhood emotion art and visual studies Indeed what emerges across this volume is confirmation that engagement with Mass Observation whether its historical materials or those produced in the last decade is crucial to understanding the vast array of experiences that make up British life

Feminist Art in Resistance Elif Dastarlı, F. Melis Cin, 2023-02-11 This book provides a thorough interdisciplinary analysis of the ways in which artists have engaged with political and feminist grassroots movements to characterise a new direction in the production of feminist art The authors conceptualise feminist art in Turkey through the lens of feminist philosophy by offering a historical analysis of how feminism and art interacts analysing emerging feminist artwork and exploring the ways in which feminist art as a form opens alternative political spaces of social collectivities and dissent to address epistemic injustices The book also explores how the global art and feminist movements particularly in Europe have manifested themselves in the art scenery of Turkey and argues that feminist art has transformed into a form of political and protest art which challenges the hegemonic masculinity dominating the aesthetic debates and political sphere It is an invaluable reading for students and scholars of sociology of art gender studies and political sociology

The Routledge Handbook of Heritage and Gender Jenna C. Ashton, 2025-05-30 The Routledge Handbook of Heritage and Gender offers an exceptional range of international contributions that interrogate and analyse the interactions within and between heritage and gender Taking an intersectional and global approach the Handbook opens up space for a more critical and situated consideration of how gender comes into contact with heritage as a concept and practice The volume considers heritage in the broadest sense as a concept performance and materialisation The contributions also consider how heritage impacts identity power people values politics and ethics as well as processes and sites across material culture nature and intangible practices The volume and its contributions are inclusive of cisgender trans non binary agender and intersex identities Reflecting the multidisciplinary and transnational voices of its authors the collection challenges readers to consider what a focused analysis of heritage and gender can offer heritage studies as an evolving discipline and field of study The Routledge Handbook of Heritage and Gender will be of interest to academics and students working in Heritage Studies Museum Studies Art History History Anthropology Gender and Women s Studies and

International Development **Expanding the Parameters of Feminist Activism** Gillian Hannum, Kyunghye Pyun, 2022-11-04 This book explores the work and careers of women trans and third gender artists engaged in political activism While some artists negotiated their own political status in their indigenous communities others responded to global issues of military dictatorship racial discrimination or masculine privilege in regions other than their own Women trans and third gender artists continue to highlight and challenge the disturbing legacies of colonialism imperialism capitalism communism and other political ideologies that are correlated with patriarchy primogeniture sexism or misogyny The book argues that solidarity among such artists remains valuable and empowering for those who still seek legitimate recognition in art schools cultural institutions and the history curriculum **A Cultural History of Objects in the Renaissance** James Symonds, 2022-08-31 A Cultural History of Objects in the Renaissance covers the period 1400 to 1600 The Renaissance was a cultural movement a time of re awakening when classical knowledge was rediscovered leading to an efflorescence in philosophy art and literature The period fostered an emerging sense of individualism across European cultures This sense was expressed through a fascination with materiality and the natural world and a growing attachment to things The 6 volume set of the Cultural History of Objects examines how objects have been created used interpreted and set loose in the world over the last 2500 years Over this time the West has developed particular attitudes to the material world at the centre of which is the idea of the object The themes covered in each volume are objecthood technology economic objects everyday objects art architecture bodily objects object worlds James Symonds is Professor at the University of Amsterdam The Netherlands Volume 3 in the Cultural History of Objects set General Editors Dan Hicks and William Whyte
