- > V.C's should meet once a month, but no less than 6 times a year.
- > 3 members shall constitute a quorum.
- > Minutes must be kept of all meetings.
- > V.C members are entitled to visit the prison at any time and have free access to all areas.
- > They are empowered to inspect the books of the prison.

Foreign and Commonwealth Office Annual Report 2007-08 Great Britain: Parliament: House of Commons: Foreign Affairs Committee,2009 This report is the Committee s annual review of how the FCO is managing its resources examining the departmental annual report for 2007 08 Cm 7398 ISBN 9780101739825 Chapters cover new strategic framework performance measurement global network essential services FCO Services personnel issues transparency and openness financial management public diplomacy and communication the British Council the BBC World Service The Committee is concerned that the FCO is facing serious financial pressures in this financial year due to the Treasury s withdrawal of its support for the Overseas Pricing Mechanism OPM which used to protect departments from the weakening of sterling There is a risk that the FCO may not be able to meet higher international subscriptions over the next two financial years causing its performance against Public Service Agreement targets to suffer The likely increase in the UN Regular Budget and other

international subscriptions will push this figure even higher The FCO should have to shoulder the financial burden from within its already tight budget to pay for subscriptions which also benefit other Government departments The Committee recommends that additional nondiscretionary costs should properly be met by the Treasury The Iran Nuclear Issue Yael Ronen,2010-05-31 Controversy over the Iranian nuclear policy has been mounting in both legal and political circles since the early 2000s Most recently the IAEA tasked with verifying compliance of Member States with the NPT has been expressing concern that Iran s nuclear efforts are directed not solely at peaceful uses but also at military purposes In response various States have tried individually and collectively to engage Iran in agreed frameworks of action that would include an Iranian self imposed restraint regarding its nuclear development This volume documents the Iranian nuclear issue tracing the evolution of international interest and concern with Iran s nuclear policy since the 1970s when Iran began earnest efforts to acquire nuclear capabilities Emphasis is placed on events since 2002 2003 when it was established that Iran had concealed certain aspects of its nuclear activities from IAEA Alongside reports of the IAEA and Security Council documents the volume covers diverse sources rather than relying solely on UN organs and agencies international organisations or dedicated ad hoc bodies The Publishers' Circular and Booksellers' Record ,1908 *Federal Register* ,2013-06 **Compilation of Hearings and Markups** United States.
