

- 46 “Sonny,” he yelled, “this here is your car! Your father just bought it
for you.”
- 47 “Ya-hoo!” I shouted. I swung my arm back and **heaved** the discus. It
spiraled through the air, farther and farther. It looked as if it was never
going to stop, but when it struck the ground it had flown one hundred and
twenty-eight feet. I ended up in second place.
- 48 The car was, I believe, a sort of **acknowledgment** on my father’s part.
With the news of my Regents Scholarship he was willing to provide the
extra support needed to send me to school. Shortly after that, I received an
acceptance from Cornell.
- 49 What I didn’t know was that my grandfather had **signed over** all of his
property—his house, the station, and the two acres of land they stood on—
to my parents. I’m not sure if he knew what he was doing. He always said to
me that the house and the station would be mine one day. My grandmother
had told me that she had written her **will** and my grandfather’s in such a
way that there would be no doubt I would **inherit** it all. But I think my
grandfather knew what he had to do so that my parents would help me go
to college. Even though I was going away, he was going to give me all that
he could give.

▲ On the steps of my grandparents’ house in 1944, age two

▲ My high school graduation picture, class of 1960

GLOSSARY

heaved (*v*) threw with great effort

signed over (*v*) gave something away with an official signature

will (*n*) legal document stating what happens to a person’s property after death
