Theater in the Middle East Babak Rahimi, 2020-07-27 The collected essays from noteworthy dramatists and scholars in this book represent new ways of understanding theater in the Middle East not as geographical but transcultural spaces of performance What distinguishes this book from previous works is that it offers new analysis on a range of theatrical practices across a region by and large ignored for the history of its dramatic traditions and cultures and it does so by emphasizing diverse performances in changing contexts Topics include Arab Iranian Israeli diasporic theatres from pedagogical perspectives to reinvention of traditions from translation practices to political resistance expressed in various performances from the nineteenth century to the present

Iraq Heather Bleaney, Roper, Peter Sluglett, 2004-06-01 Well considered answers to the many questions raised by the situation in Iraq past and present are rare This first comprehensive thematically organised bibliography devoted to Iraq is based on the full Index Islamicus database and is drawn from a wide variety of European language journals and books Featuring an extensive introduction to the subject and its literature by Peter Sluglett this bibliography will help readers to find their way through the massive secondary literature now available Following the pattern established by the Index Islamicus both journal articles and book publications are included as well as important internet resources The editors have taken care to add much new material to bring its coverage up to date and supplement the previously published volumes while the most important and or influential publications are conveniently highlighted in the introduction An indispensable gateway for all those with a more than superficial interest in what is and what has been happening in this nation so much the focus of attention today

Saudi Arabia David Commins, 2025-04-22 A major new history of Saudi Arabia from its eighteenth century origins to the present day Saudi Arabia is one of the wealthiest countries in the world a major player on the international stage and the site of Islam

s two holiest cities It is also one of the world's only absolute monarchies How did Saudi Arabia get to where it is today In this comprehensive account David Commins narrates the full history of Saudi Arabia from oasis emirate to present day attempts to leap to a post petroleum economy Moving through the ages Commins traces how the Saud dynasty's reliance on sectarianism foreign expertise and petroleum to stabilize power has unintentionally spawned secular and religious movements seeking accountability and justice He incorporates the experiences of activists women religious minorities Bedouin and expatriate workers as the country transformed from subsistence agrarian life to urban consumer society This is a perceptive portrait of Saudi Arabia's complex and evolving story and a country that is all too easily misunderstood

Of Kings and Clowns Tiran Manucharyan, 2024-02-28 This book examines the transformations Egyptian theatre has undergone since 1967 Through detailed analyses of the plays the book investigates the ways Egyptian theatre represents formulates and imagines political and cultural leadership and by implication enacts its own leadership Alongside the work of established playwrights such as Yusuf Idris Abul Ela El Salamouny Fathia El Assal and Lenin El Ramly it also discusses the input in theatre of a younger generation reflecting the new transformations in Egyptian theatre following the 2011 revolution Relating the theoretical underpinnings of its analyses to theoretical discussions by Egyptian playwrights the book contributes to current English language scholarship in theatre studies by providing a discourse largely absent from it Considering the growing sense in English language academia on the need for research and education beyond the Western canon this book offers an important addition to the study resources This book will interest both scholars and students who study the Arab world and researchers and students with an interest in cultural studies more specifically twentieth and twenty first century theatre and literature studies The book's specific focus on political theatre and its gender perspective make it also of interest to the fields of political and gender studies

Letters from Khartoum. D.R. Ewen Russell McDougall, 2021-07-19 Letters from Khartoum is a partial biography of Scottish educator D R Ewen who taught English Literature at the University of Khartoum from the time of the Anglo Egyptian Condominium through to Independence and the October 1964 Revolution The administrative history of the then unified nation North Middle Eastern and South African makes the Sudan a unique setting to explore the workings of colonial education The purpose of teaching English literature there was to remake the Muslim Sudanese of the North as the proxy agents of British culture who would administrate the first independent nation in Africa But Ewen also was remade in the process by his relationships with his students and colleagues and by his own teaching innovations

Staging Revolutions and the Many Faces of Modernism Amina ElHalawani, 2024-04-25 The book explores how theatre with its performative capacity has the power to engage with and affect the politics of its day It sets the stage for the reader to discover the revolutionary traditions of Egyptian and Irish theatre very distinct in their histories and cultures and understand their enduring relevance in today's world The volume takes Ireland as a case study of the interplay between cultural nationalism and politically engaged theatre and compares it to the role of the theatre in Egypt during its Golden era

in the 1960s Through a selection of Egyptian plays by Tawfiq al Hakim Mikhail Roman Yusuf Idris and Salah Abdul Saboor alongside Irish plays by Brian Friel Frank McGuinness Christina Reid and Samuel Beckett it maps the political aesthetics of unsteady times and seemingly disparate places to reflect on the dynamics of revolt as a staged act in and of itself Further the book examines how playwrights from both nations have engaged with theatre as a medium focusing on how their contemplations hesitations frustrations and protest have been translated onto the stage in their various plays and comprehends the transformative role the theatre has always played in politics in shaping history across time and space Bridging together discussions on transnational modernisms with nuanced cultural histories of protest this critical work will be of great interest to scholars and researchers of literary studies identity politics cultural studies theatre and performance studies and political studies

Code-Choice and Identity Construction on Stage Sirkku Aaltonen, 2020-06-01 Code Choice and Identity Construction on Stage challenges the general assumption that language is only one of the codes employed in a theatrical performance Sirkku Aaltonen changes the perspective to the audience foregrounding the chosen language variety as a trigger for their reactions Theatre is the most public of arts closely interwoven with contemporary society and language is a crucial tool for establishing order In this book Aaltonen explores the ways in which chosen languages on stage can lead to rejection or tolerance in diglossic situations where one language is considered unequal to another Through a selection of carefully chosen case studies the socio political rather than artistic motivation behind code choice emerges By identifying common features of these contexts and the implications of theatre in the wider world this book sheds light on high versus low culture the role of translation and the significance of traditional and emerging theatrical conventions This intriguing study encompassing Ireland Scotland Quebec Finland and Egypt cleverly employs the perspective of familiarising the foreign and is invaluable reading for those interested in theatre and performance translation and the connection between language and society

The Theatres of Morocco, Algeria and Tunisia Khalid Amine, Marvin Carlson, 2011-11-01 Modern international studies of world theatre and drama have begun to acknowledge the Arab world only after the contributions of Asia Africa and Latin America Within the Arab world the contributions of Algeria Tunisia and Morocco to modern drama and to post colonial expression remain especially neglected a problem that this book addresses

Staging Cultural Encounters Jane E. Goodman, 2020-10-06 An anthropologist recounts an Algerian theater troupe s 2016 US tour detailing the highs and lows of the cross cultural exchange Staging Cultural Encounters tells stories about performances of cultural encounter and cultural exchange during the US tour of the Algerian theater troupe Istijmam Culturelle in 2016 Jane E Goodman follows the Algerian theater troupe as they prepare for and then tour the United States under the auspices of the Center Stage program sponsored by the US State Department to promote cross cultural dialogue and understanding The title of the play Istijmam produced was translated as Apples written by Abdelkader Alloula a renowned Algerian playwright director and actor who was assassinated in 1994 Goodman take readers on tour with the actors as they move from the Kennedy Center in

Washington D C to the large state universities of New Hampshire and Indiana and from a tiny community theater in small town New England to the stage of the avant garde La MaMa Theater in New York City Staging Cultural Encounters takes up conundrums of cross cultural encounter challenges in translation and audience reception offering a frank account of the encounters with American audiences and the successes and disappointments of the experience of exchange This is a ground breaking and beautifully written work in the anthropology of performance as well as an intervention in experimental anthropology wherein theater play is both ethnographic subject and method The book is accompanied by a detailed website of audio visual examples making this a hyper text a multi modal way of knowing It is a tour de force Deborah Kapchan author of Theorizing Sound Writing In this engrossing ethnography Goodman brings to life the excitements hopes and disappointments of their staged cultural encounter We are shown in fascinating detail what lies behind and before the tour the actors intense disciplined dedication to avant garde theatre practices the political and economic constraints of contemporary Algeria the labour of translation the performance traditions of the Algerian market place Subtle searching and empathetic with touches of wry humor Goodman s study will become an instant classic in anthropology theatre and performance studies Karin Barber London School of Economics author of A History of African Popular Culture
