

A cozy study with a large window overlooking a green valley. The room has wood-paneled walls and a wooden floor. A desk with a lamp, a mug, and some papers is in the foreground. A black office chair is positioned in front of the desk. The window is divided into a 2x4 grid, showing a view of a green valley with a stone wall and hills in the background under a cloudy sky.

World Enough Time On Creativity And Slowing Down:

World Enough & Time Christian McEwen, 2011 World Enough rather it is fed and nourished by every sight and smell and sound that we encounter from the movement of the clouds to the shrill of the birds outside our morning window World Enough Time extols the benefits of observation conversation walking pausing and dreaming within a literary and artistic framework spanning centuries Among the lessons learned from the great minds are It is in our idleness in our dreams that the submerged truth sometimes comes to the top Virginia Woolf Beware the barrenness of a busy life Socrates Seek society Keep your friendships in repair Answer your letters Meet good will half way Ralph Waldo Emerson We shared our ideas like sweaters with easy exchange and lack of ownership Ann Patchett on her friendship with Lucy Greeley Creative work needs solitude It needs concentration without interruptions It needs the whole sky to fly in and no eye watching till it comes to that certainty which it aspires to Mary Oliver Art has something to do with the achievement of stillness in the midst of chaos Saul Bellow World Enough Time is the result of thirty years of thinking teaching and writing in the midst of a busy world Turning to stories of the writers and artists she has studied all these years McEwen finds that each anecdote is its own parable of truth

Mission as God's Spiral of Renewal Ross, Kenneth R., 2019-02-06 In this remarkable volume covering diverse subjects in a span of three decades Kenneth R Ross articulates his views on the meaning and practice of Christian mission and challenges the binary view of mission that prevailed before the 1950s He further reflects on Scotland's experiences in the world wide Christian mission and demonstrates the centrality of Africa in any discourse on Christianity This volume is invaluable in its argument for a rethinking of Christian mission especially in relation to the West which is now a new frontier for Christian mission The book will be immensely beneficial to students of missiology and general readers who are interested in the subject of Christian Mission

On Slowness Lutz Koepnick, 2014-10-07 Speed is an obvious facet of contemporary society whereas slowness has often been dismissed as conservative and antimodern Challenging a long tradition of thought Lutz Koepnick instead proposes to understand slowness as a strategy of the contemporary a decidedly modern practice that gazes firmly at and into the present's velocity As he engages with late twentieth and early twenty first century art photography video film and literature Koepnick explores slowness as a critical medium to intensify our temporal and spatial experiences Slowness helps us register the multiple layers of time history and motion that constitute our present It offers a timely and untimely mode of aesthetic perception and representation that emphasizes the openness of the future and undermines any conception of the present as a mere replay of the past Discussing the photography and art of Janet Cardiff Olafur Eliasson Hiroshi Sugimoto and Michael Wesely the films of Peter Weir and Tom Tykwer the video installations of Douglas Gordon Willie Doherty and Bill Viola and the fiction of Don DeLillo Koepnick shows how slowness can carve out spaces within processes of acceleration that allow us to reflect on alternate temporalities and durations

Picking up where his first memoir *Raindrops Glimpses Moments: An Unconventional Memoir of an Unplanned Journey* left off, Richman shows in *Shivers* Signposts that he still has much to do and much to say. Richman attacks life with uncommon vigour. Never motionless, he moves forwards and sometimes backwards, suffusing each manoeuvre with unique energy, vitality and constant evolution. *Shivers* at the thought of growing old, of becoming stale, occasional alienation and loneliness. Let us hear his decisive commentary on modern social and cultural mores, his unapologetic tackling of issues from racism to materialism to present-day psychoanalysis.
