Ollie has spoken to sixty of the world's most prominent teachers, leaders, and education researchers. With guests including John Hattie, Tom Sherrington, Anita Archer, Dylan William, Jim Knight, Judith Hochman, Jay McTighe, Tom Bennett, Daisy Christodoulou, Bill Rogers, Daniel Willingham, and many more, Ollie digs deep to work out what works in education and what doesn't. This book aims to share those insights with you. It summarises the most useful techniques, tactics, and mental models from these sixty conversations and presents them in a clear, practical, and actionable form for you to start improving your teaching and learning from the first page. Tools for Teachers will help you to teach, lead, and learn like the world's best educators.

*The Gospel of Education* Martin Zschoche, 2021-01-02. Re-explore teaching from the depths of brain-based, accelerated learning research that reveals how students learn and respond to classroom environments and teacher interactions. By creating a warm and welcoming atmosphere complete with music and fun, your students learn how much you care for them and understand their needs. Your words are powerful, and everything you do or say sends a message, consciously or non-consciously, to your students. Through purposeful classroom management and choreographed instruction, grab your students' attention and keep them so focused there is no time to become distracted or misbehave. By removing students' fear factors and giving them leadership roles, students take ownership of the classroom productively, engaging with each other and learning deeply together. Turn assessments into a joyful experience of profound learning. Be that teacher the students remember fondly years after they leave school, the one about whom they say, "We learned sooooo much and we remember it."
