carefully and as a result directed only sixteen films in a period of more than forty years Those films however have become some of the landmarks of motion picture history Lean is best known for his epics but Phillips also focuses on Lean's successful adaptations of famous works of literature including retellings of plays such as *Brief Encounter* 1945 and novels such as *Great Expectations* 1946 *Oliver Twist* 1948 and *A Passage to India* 1984 From expansive studies of war and strife to some of literature's greatest high comedies and domestic dramas Lean imbued all of his films with his unique creative vision Few directors can match Lean's ability to combine narrative sweep and psychological detail and Phillips goes beyond Lean's epics to reveal this unifying characteristic in the director's body of work *Beyond the Epic* is a vital assessment of a great director's artistic process and his place in the film industry
