World Geography Trivia And Answers:

The Trivia Lover's Guide to the World Gary Fuller, 2012-08-16 Gary Fuller's entertaining and engaging guide enhances geographic know how with good old fashioned fun using trivia to open up new worlds of knowledge for all readers. Often dismissed as unimportant trivia here highlights issues that are far from trivial pondering for example what peaceful country requires citizens to keep guns in their homes what continent contains at least 75 percent of the world's fresh water and why aren't New York Los Angeles Chicago and Philadelphia the capitals of their respective states. An inveterate traveler and geographer extraordinaire Fuller provides extensive background clear illustrations and thorough explanations for each intriguing question carefully grounding the text in practical geographic concepts. Both enjoyable and enlightening this book challenges today's global generation to truly get to know their world.

1001 U.S. Geography Trivia Q&A Mike McGuire, 2005 The Geography Attitude as author Mike McGuire The Map Man called it was explained in the Geography Literacy Report by The Gallup Poll in 1993 again by the U S Education Department in 1994 and in 2002 by The National Assessment of Educational Progress NAEP and The National Geographic Roper 2002 Global Geographic Literacy Survey all stating how poorly American students did in testing for geography literacy. U S and World Geography is not taught as a core subject in our school systems here in America but as a part of another subject such as History or the English Language. So it is no wonder why American students and adults for that matter of fact are so poor in their understanding of the subject material of geography. This educational trend needs to be reversed because U S geography is so vital to our daily lives global events and our culture. By using the common and popular method of Trivia Questions Note the popular TV shows Jeopardy Who wants to be a Millionaire and The Weakest Link among others this format was chosen to develop interest fun in learning and respect for the educational value of geography. Let's first start by learning about the geography in our Homeland The United States of America and then move on to World Geography later.
