Texas High Schools Stephen Jackson,2022-11-30 This book traces the historical development of the World History course as it has been taught in high school classrooms in Texas a populous and nationally influential state over the last hundred years Arguing that the course is a result of a patchwork of competing groups and ideas that have intersected over the past century with each new framework patched over but never completely erased or replaced the author crucially examines themes of imperialism Eurocentrism and nationalism in both textbooks and the curriculum more broadly The first part of the book presents an overview of the World History course supported by numerical analysis of textbook content and public documents while the second focuses on the depiction of non Western peoples and persistent narratives of Eurocentrism and nationalism It ultimately offers that a more global accurate and balanced curriculum is possible despite the tension between the ideas of professional world historians who often de center the nation state in their quest for a truly global approach to the subject and the historical core rationale of state sponsored education in the United States to produce loyal citizens Offering a new conceptual understanding of how colonial themes in World History curriculum have been dealt with in the past and are now engaged with in contemporary times it provides essential context for scholars and educators with interests in the history of education curriculum studies and the teaching of World History in the United States World History: Patterns of

Military Sexual Slavery Pyong Gap Min,Thomas Chung,Sejung Sage Yim,2020-02-10 This book examines the redress

movement for the victims of Japanese military sexual slavery in South Korea Japan and the U S comprehensively The Japanese military forcefully mobilized about 80 000 200 000 Asian women to Japanese military brothels and forced them into sexual slavery during the Asian Pacific War 1932 1945 Korean comfort women are believed to have been the largest group because of Korea s colonial status The redress movement for the victims started in South Korea in the late 1980s The emergence of Korean comfort women to society to tell the truth beginning in 1991 and the discovery of Japanese historical documents proving the responsibility of the Japanese military for establishing and operating military brothels by a Japanese historian in 1992 accelerated the redress movement for the victims The movement has received strong support from UN human rights bodies the U S and other Western countries It has also greatly contributed to raising people s consciousness of sexual violence against women at war However the Japanese government has not made a sincere apology and compensation to the victims to bring justice to the victims

Teaching Global History Alan J. Singer, 2012-04-27 Teaching Global History challenges prospective and beginning social studies teachers to formulate their own views about what is important to know in global history and why It explains how to organize the curriculum around broad social studies concepts and themes and student questions about humanity history and the contemporary world All chapters include lesson ideas a sample lesson plan with activity sheets primary source documents and helpful charts graphs photographs and maps High school students responses are woven in throughout Additional material corresponding to each chapter is posted online at http://people.hofstra.edu/alan_j_singer The traditional curriculum tends to highlight the Western heritage and to race through epochs and regions leaving little time for an in depth exploration of concepts and historical themes for the evaluation of primary and secondary sources and for students to draw their own historical conclusions Offering an alternative to such pre packaged textbook outlines and materials this text is a powerful resource for promoting thoughtful reflection and debate about what the global history curriculum should be and how to teach it World History: Patterns of Interaction McDougal-Littell Publishing Staff, 2004-03
