Region Lopamudra Maitra Bajpai, 2020-10-28 This book examines the historical and socio cultural connections across the SAARC region with a special focus on the relationship between India and Sri Lanka It investigates hitherto unexplored narratives of history popular culture and intangible heritage in the region to identify the cultural parallels and intersections that link them together In doing so the volume moves away from an organised and authorised heritage discourse and encourages possibilities of new understandings and re interpretations of cross cultural communication and its sub texts Based on original ethnographic work the book discusses themes such as cultural ties between India and Sri Lanka exchanges between Arthur C Clarke in Sri Lanka and Satyajit Ray in India cultural connectivity reflected through mythology and folklore the influence of Rabindranath Tagore on modern dance in Sri Lanka the introduction of railways in Sri Lanka narrative scrolls and masked dance forms across SAARC countries Hindi cinema as the pioneer of cultural connectivity and women s writing across South Asia Lucid and compelling this book will be useful for scholars and researchers of cultural studies South Asian studies cultural anthropology sociology popular culture cross cultural communication gender studies political sociology cultural history diplomacy international relations and heritage studies It will also appeal to general readers interested in the linkages between India and Sri Lanka *The Islamic Lineage of American Literary Culture* Jeffrey Einboden, 2016-08-02

Uncovering Islam s little known yet formative impact on U S literary culture this book traces genealogies of Islamic influence that span America s earliest generations reaching from the Revolution to Reconstruction Excavating personal appeals to Islam by pioneering national authors Ezra Stiles William Bentley Washington Irving Lydia Maria Child Ralph Waldo Emerson Einboden discovers Muslim discourse woven into the familiar fabric of unpublished letters and sermons journals and journalism memoirs and marginalia The first to unearth multiple manuscripts exhibiting American investment in Middle Eastern languages and literatures Einboden argues that Islamic precedents helped to prompt and propel creativity in the young Republic acting as vehicles of artistic reflection religious contemplation and political liberation Intersecting informal engagements and intimate exchanges Islamic sources are situated in this timely study as catalysts for American authorship and identity with U S writers mirroring the defining struggles of their country s first decades through domestic investment in the Qur an Hadith and Persian Sufi poetry **The Face of the Earth** J. Donald Hughes, 2015-05-11 Although the organizing principle of virtually every world history text is development the editor of this volume maintains that this traditional approach fails to address the issue of sustainability By adopting the ecological process as their major theme the authors show how the process of human interaction with the natural environment unfolded in the past and offer perspective on the ecological crises

in our world at the beginning of the 21st century Topics range from broad regional studies that examine important aspects of the global environment that affect nations to a study of the widespread influence of one important individual on his nation and beyond The authors take different approaches but all share the conviction that world history must take ecological process seriously and they all recognize the ways in which the living and non living systems of the earth have influenced the course of human affairs

Christianity and the Transformation of Physical Education and Sport in China Huijie Zhang,Fan Hong,Fuhua

Huang,2017-07-14 Modern physical education and sport in China are not products of indigenous Chinese culture Traditional Chinese culture linked strenuous physical activities to low class and status Modern Western PE and sport were introduced to China by Western Christian missionaries and directors of the Young Men s Christian Association and grew from a tool for Christian evangelism to an important tool for Chinese nation building This book examines this process of transformation of Chinese attitudes toward PE and sport using the concepts of cultural imperialism and nationalism as a lens to understand how a Western cultural import became a modernization tool for the Chinese state The New World History Ross E.

Dunn,Laura J. Mitchell,Kerry Ward,2016-08-23 The New World History is a comprehensive volume of essays selected to enrich world history teaching and scholarship in this rapidly expanding field The forty four articles in this book take stock of the history evolving literature and current trajectories of new world history These essays together with the editors introductions to thematic chapters encourage educators and students to reflect critically on the development of the field and to explore concepts approaches and insights valuable to their own work The selections are organized in ten chapters that survey the history of the movement the seminal ideas of founding thinkers and today s practitioners changing concepts of world historical space and time comparative methods environmental history the big history movement globalization debates over the meaning of Western power and ongoing questions about the intellectual premises and assumptions that have shaped the field *Pain and Purpose in the Pacific* Richard Carl Bright,2014-01-24 What follows here just a brief insight into Pain

and Purpose in the Pacific This book did not begin with the idea of a chronology of the battles of the Pacific War although an overview is included But instead it was intended to be a brief account of the battles on Saipan Tinian and Okinawa as I retrace the travels of one Marine from the farmland of Minnesota to Japan and back Carl J Johnson spent 30 months in the Pacific Four of those months were in bitter combat on the islands of Saipan Tinian and Okinawa He is my uncle I have been blessed to travel also Belau which is Palau and includes Peleliu Included too in this book are Iwo Jima Corregidor and the Philippines In my travels beyond Hawaii and Pearl Harbor which was my introduction into the Pacific were Yap and Truk which is Chuuk and Pohnpei in the Carolines And Ive spent time in Japan During my time in the Pacific I have been presented with the opportunity to speak with several of the veterans of the Pacific War Doing so has in some cases allowed me in some small way to understand a sense of the hell they had to suffer through Included in this report are a few of their stories as well as stories from some of the people of the islands who in one way or another were involved in the conflict It is with a depth of gratitude that I acknowledge the Military Historical Tours of Alexandria Virginia for allowing me to be a part of their tours to the islands of Iwo Jima and Okinawa as well as Guam Tinian and Saipan I appreciate this organization dedicated to preserving the memories of the war and to the honoring of the military personnel who were there at the time While living on either Guam or Saipan I also was able to visit on my own most of the islands mentioned on this page But it was the Military Historical Tours and its President USMC Colonel Warren Wiedhahn mht miltours com that made it possible for me to visit

Iwo Jima They allowed me to join them once a year for 4 consecutive years I have since returned a 5th time in March of 2010 It was through this great organization that over a 7 year period while living on both Guam and Saipan in the Marianas Islands I was able to meet most of the WWII veterans mentioned here and these aging veterans of the War in the Pacific whom I have met have touched my heart In addition to my uncle this book is for them too *Pop Culture in Europe* Juliana Tzvetkova, 2017-10-12 A fascinating survey of popular culture in Europe from Celtic punk and British TV shows to Spanish fashion and Italian sports From One Direction and Adele to Penelope Cruz and Alexander Skarsgard many Europeans are becoming household names in the United States This ready reference guide covers international pop culture spanning music literature movies television and radio the Internet sports video games and fashion from the mid 20th century through the present day The organization of the book with entries arranged alphabetically within thematic chapters allows readers to quickly find the topic they are seeking Additionally indexing allows for cross cultural comparisons to be made between pop culture in Europe to that of the United States An extensive chronology and lengthy introduction provide important contextual information such as the United States influence on movies music and the Internet the effect of censorship on Internet and social media use and the history of pop culture over the years Topics feature key musicians songs books actors and actresses movies and television shows popular websites top athletes games clothing fads and designers and much more **The Cambridge World History: Volume 7, Production, Destruction and Connection, 1750-Present, Part 1, Structures, Spaces, and Boundary Making** J. R. McNeill, Kenneth Pomeranz, 2015-04-30 Since 1750 the world has become ever more connected with processes of production and destruction no longer limited by land or water based modes of transport and communication Volume 7 of the Cambridge World History series divided into two books offers a variety of angles of vision on the increasingly interconnected history of humankind The first book examines structures spaces and processes within which and through which the modern world was created including the environment energy technology population disease law industrialization imperialism decolonization nationalism and socialism along with key world regions
