The Lord of the Flies was written during a time period of serious problems. Back before the invention of the ipod and before people realized how fun masturbation is, people didn't know what to do with their spare time. Jackson) had used this time to write a book about little children who land on a island and have giant orgy-partys and lots of good fun. In the book, the fun continues for weeks until they are arrested by the native islander feds for public indecency and possession of illegal firearms (Jack stole an AK-47 from some British guy before he got on the plane and crashed). Actually forget that part in the parentheses unless you read the extended version of the book because Twain didn't put that in until later when he realized the book lacked the stylish modernized violence that everyone really likes to read about.

(Mark Twain had a gray moustache, was a pedophile, and was stoned to death at the age of 47, when he was accused and convicted of molesting an 8 year old boy by manually inserting, and emptying the contents of, an entire tube of Crest cinnamon
