## Read The Of Enoch:

**The Illustrated Secrets of Enoch** Enoch, 2014-12-27 One might ask why there is so much interest in this obscure little apocryphal book written under the assumed name Enoch If we look at the book of Luke where Jesus is describing for His disciples the time of His return in Luke 17 26 Just as it was in the days of Noah so will it be in the days of the Son of Man They were eating and drinking and marrying and being given in marriage until the day when Noah entered the ark and the flood came and destroyed them all We may want to know in greater detail just exactly what it was like during the time of Noah Reading the first chapter of the Book of Enoch we find Enoch a righteous man whose eyes were opened by God saw the vision of the Holy One in the heavens which the angels showed me and from them I heard everything and from them I understood as I saw but not for this generation but for a remote one which is for to come Concerning the elect I said and took up my parable concerning them The Holy Great One will come forth from His dwelling and the eternal God will tread upon the earth even on Mount Sinai and appear from His camp and appear in the strength of His might from the heaven of heavens So not only does Luke and Mathew for that matter tell us that Jesus return will come at time like the time of Noah and the flood but the Book of Enoch begins by telling us it is written not for those of Enoch s generation but for a generation in the distant future when the Holy Great One will tread upon the earth and He will appear in the strength of His might from the Heaven of Heavens From The reference in the Letter of Jude 1 15 quoting Enoch regarding the return of Jesus to the passages in Mathew and Luke regarding the time of Christ s return to be like the time of Noah and considering Enoch s claim to be written for the elect of the generation alive during the time of the Holy Great One s coming to Earth I believe the Book of Enoch deserves a serious read

 Hymnal, Dundee Rev. William KNIGHT (of St. Enoch's Dundee.),1874     Complete Books of Enoch Ann Nyland,2010-10-16  
 Buy the Paperback get the Kindle version for free Many of the Book of Enoch books available are in fact public domain the R  
 H Charles version of 1917 which means they can be given away to anyone for free by anyone This book is NOT one of those  
 What is the problem with public domain versions They are full of errors as they are around 100 years old and out dated  
 scholarship Sure they might be cheap but most of the information is wrong World renowned scholar Dr A Nyland has a  
 doctorate in ancient languages and word meaning She was a college professor at the University of New England Australia  
 lecturing in ancient languages She has appeared on television and radio numerous times speaking about ancient languages  
 and ancient peoples These days many non translators some of whom actually claim to be translators sell the public domain  
 version of 1917 by R H Charles both as is and also disguised by slight rewording as a commercial venture This version  
 reflects the knowledge of The Book of Enoch as it was back in 1917 Great advances have been made since then This all 3  
 Books of Enoch is a NEW 2010 and easy to read translation by ancient languages scholar Dr A Nyland and is NOT the 1917 R  
 H Charles Public Domain translation of The Book of Enoch The Book of Enoch is of importance to theosophy mysticism and  
 angelology and demonology This book is an easy to read translation with cross references copious background notes and  
 notes This new translation by Dr A Nyland contains all 3 Books of Enoch 1 1 Book of Enoch Also called The Ethiopic Book of  
 Enoch 2 2 Book of Enoch Also called The Slavonic Book of Enoch The Secrets of Enoch Also contains the extended version of  
 2 The Book of Enoch The Exaltation of Melchizedek 3 3 Book of Enoch Also called The Hebrew Book of Enoch The Books of  
 Enoch are of interest to a wide audience theosophy mysticism 1 Book of Enoch tells of the Watchers a class of angel who  
 taught humans weapons spell potions root cuttings astrology astronomy and alchemy The Watchers also had sex with human  
 women and produced the Nephilim For this they were imprisoned and cast into Tartarus This is also mentioned in the New  
 Testament In 2 Book of Enoch two angels take Enoch through the 7 heavens This volume contains the extended version of 2  
 Book of Enoch The Exaltation of Melchizedek In 3 Book of Enoch Enoch ascends to heaven and is transformed into the angel  
 Metatron This is about the Merkabah and is of interest to those who study mysticism and magic and Kabbalah People  
 interested in theosophy or mysticism will find this book invaluable as will Rosicrucians     The Apocrypha and  
 Pseudepigrapha of the Old Testament in English: Apocrypha Robert Henry Charles,1913     **The Book of the Secrets of  
 Enoch** R. H. Charles,1999 For 1200 years this book was known to only a few people in Russia When finally revealed to the  
 world in 1892 it was thought to be a Slavonic version of The Book of Enoch but once translated weve found it is a different  
 book on and about Enoch equally important to the other A completely new and valuable pseudepigraph read by many

different Christian groups during the first three centuries It was written in Egypt and its author or original editor was a Hellenistic Jew Although the Greek original was lost it had a direct influence on the writers of the New Testament Was also referred to by Origen and used by the Church father Irenaeus Recommended to those interested in apocalyptic literature and the origins of Christianity *Divine Mysteries in the Enochic Tradition* Andrei A. Orlov, 2023-07-24 The book represents an in depth investigation of acquisition cultivation and transmission of divine mysteries in Jewish apocalyptic and mystical accounts by focusing on the developments found in early Enochic writings These accounts deal both with revelations unveiled by God and angels to the patriarch Enoch and with illicit transmission of divine knowledge by the rogue group of the fallen angels known as the Watchers Orlov argues that the map of otherworldly knowledge revealed to Enoch inversely mirrors the map of illicit revelations given by the fallen Watchers to humankind The study suggests that one of the possible objectives for the parallelism is that by revealing to Enoch the same divine mysteries that were earlier transmitted by the Watchers God attempts to mitigate the corruption caused by the fallen angels illicit instructions This book will be of interest not only for scholars specializing in historical and religious areas but also for experts in the fields of anthropology philosophy sociology psychology and gender theory it discusses several aspects of early and late Jewish religious epistemologies that elucidate the ideological context for the construction and affirmation of social roles and identities in various Jewish milieus

**The Apocrypha and Pseudepigrapha of the Old Testament in English** Robert Henry Charles, 1913

**All Power to the Lamb** James R. Johnson, 2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age
