Can Themba Siphiwo Mahala, 2022-03-30 Mahala's biography gives insight into the life and writing of Can Themba 1924-1967, an iconic figure of the South African literary world and Drum journalist who died in exile. Can Themba: The Intellectual Tsotsi, a Biography, brings to life the iconic South African writer and journalist Can Themba (21 June 1924 – 8 September 1967) who died while exiled in Swaziland in 1967. Best known for his classic short story 'The Suit', Themba has been somewhat of an enigma with very little known about his personal life. This biography brings forth the voices of those who had personal interactions with him, shining the light on different aspects of his life, including education, literature, journalism, and political fraternities. It features interviews with prominent individuals, including his former students Abdul Bham Pitika Ntuli and Mbulelo Mzamane, journalistic mentees Juby Mayet and Joe Thloloe, as well as friends, colleagues, and contemporaries Parks Mangena, Peter Magubane, Jurgen Schadeberg, Don Mattera, and Nadine Gordimer, in addition to artists and academics Mothobi Mutloatse, Muxe Nkondo, and Njabulo S. Ndebele. Also featured in this biographical text are veteran political figures such as Mangosuthu Buthe, Lezi Lindiwe Mabuza, and Ahmed Kathrada. Themba's intellectual acumen, scholarly aptitude, and wit are some of his most revered characteristics amongst those who had interactions with him, either in person or through comprehensive reading of his works. Mahala is a master storyteller and deftly weaves together the threads of Themba's dynamic life. In this edifying biography, Mahala recreates the sparkle and pathos of Sophiatown of the 1950s and the Drum era. Can Themba's successes and failures, as well as his triumphs and tribulations, reverberate on the pages of this long-awaited biography.

Apartheid and Beyond Rita Barnard, 2012-08-01 *Apartheid and Beyond* offers trenchant, historically sensitive readings of writings by Coetzee, Gordimer, Fugard, Tlali, Dike, Magona, and Mda, focusing on the intimate relationship between place, subjectivity, and literary form. It also explores the way apartheid functioned in its day-to-day operations as a geographical system of control, exerting its power through such spatial mechanisms as residential segregation, bantustans, passes, and prisons. Throughout the study, Rita Barnard provides historical context by highlighting key events such as colonial occupation, the creation of black townships, migration, forced removals, the emergence of informal settlements, and the gradual integration of white cities. *Apartheid and Beyond* is both an innovative account of an important body of politically inflected literature and an imaginative reflection on the socio-spatial aspects of the transition from apartheid to democracy.

The Short Story in South Africa Rebecca Fasselt, Corinne Sandwith, 2022-03-24 This book considers the key critical interventions on short story writing in South Africa written in English since the year 2000. The short story genre, whilst often marginalised in national literary canons, has been central to the trajectory of literary history in South Africa. In recent years, the short story has undergone a significant renaissance, with new collections and young writers making a significant impact on the contemporary literary scene and subgenres such as speculative fiction, erotic fiction, flash fiction.

and queer fiction expanding rapidly in popularity This book examines the role of the short story genre in reflecting or championing new developments in South African writing and the ways in which traditional boundaries and definitions of the short story in South Africa have been reimagined in the present Drawing together a range of critical interventions including scholarly articles interviews and personal reflective pieces the volume traces some of the aesthetic and thematic continuities and discontinuities in the genre and sheds new light on questions of literary form Finally the book considers the place of the short story in twenty first century writing and interrogates the ways in which the short story form may contribute to or recast ideas of the post apartheid or post transitional The perfect guide to contemporary short story writing in South Africa this book will be essential reading for researchers of African literature *Mzala Mbulelo Mzamane,1980* **Claiming the City in South African Literature** Meg Samuelson,2021-08-23 This book demonstrates the insights that literature brings to transdisciplinary urban studies and particularly to the study of cities of the South Starting from the claim staked by mining capital in the late nineteenth century and its production of extractive and segregated cities it surveys over a century of writing in search of counterclaims through which the literature reimagines the city as a place of assembly and attachment Focusing on how the South African city has been designed to funnel gold into the global economy and to service an enclaved minority the study looks to the literary city to advance a contrary emphasis on community conviviality and care An accessible and informative introduction to literature of the South African city at significant historical junctures this book will also be of great interest to scholars and students in urban studies and Global South studies **A Vision of Order** Ursula A.
