Reading With Lincoln Robert Bray, 2010-09-03 Through extensive reading and reflection Abraham Lincoln fashioned a mind as powerfully intellectual and superlatively communicative as that of any other American political leader Reading with Lincoln uncovers the how of Lincoln s inspiring rise to greatness by connecting the content of his reading to the story of his life At the core of Lincoln s success was his self education centered on his love of and appreciation for learning through books From his early studies of grammar school handbooks and children s classics to his interest in Shakespeare s Macbeth and the Bible during his White House years what Lincoln read helped to define who he was as a person and as a politician This unique study delves into the books pamphlets poetry plays and essays that influenced Lincoln s thoughts and actions Exploring in great depth and detail those readings that inspired the sixteenth president author Robert Bray follows Lincoln s progress closely from the young teen composing letters for illiterate friends and neighbors to the politician who keenly employed what he read to advance his agenda Bray analyzes Lincoln s radical period in New Salem during which he came under the influence of Anglo American and French Enlightenment thinkers such as Thomas Paine C F Volney and Voltaire and he investigates Lincoln s appreciation of nineteenth century lyric poetry which he both read and wrote Bray considers Lincoln s fascination with science mathematics political economics liberal social philosophy theology and the Bible and devotes special attention to Lincoln s enjoyment of American humor While striving to arrive at an understanding of the role each subject played in the development of this remarkable leader Bray also examines the connections and intertextual relations between what Lincoln read and how he wrote and spoke This comprehensive and long awaited book provides fresh insight into the self made man from the wilderness of Illinois Bray offers a new way to approach the mind of the political artist who used his natural talent honed by years of rhetorical study and practice to abolish slavery and end the Civil War

Mary Lincoln for the Ages Jason Emerson, 2019-04-19 In this sweeping analytical bibliography Jason Emerson goes beyond the few sources usually employed to contextualize Mary Lincoln s life and thoroughly reexamines nearly every word ever written about her In doing so this book becomes the prime authority on Mary Lincoln points researchers to key underused sources reveals how views about her have evolved over the years and sets the stage for new questions and debates about the themes and controversies that have defined her legacy Mary Lincoln for the Ages first

articulates how reliance on limited sources has greatly restricted our understanding of the subject evaluating their flaws and benefits and pointing out the shallowness of using the same texts to study her life Emerson then presents more than four hundred bibliographical entries of nonfiction books and pamphlets scholarly and popular articles journalism literature and juvenilia More than just listings of titles and publication dates each entry includes Emerson's deft analysis of these additional works on Mary Lincoln that should be used but rarely have been to better understand who she was during her life and why we see her as we do The volume also includes rarely used illustrations including some that have never before appeared in print A roadmap for a firmer more complete grasp of Mary Lincoln's place in the historical record this is the first and only extensive analytical bibliography of the subject In highlighting hundreds of overlooked sources Emerson changes the paradigm of Mary Lincoln's legacy

Lincoln and Darwin James Lander, 2010-09-20 Born on the same day in 1809 Abraham Lincoln and Charles Darwin were true contemporaries Though shaped by vastly different environments they had remarkably similar values purposes and approaches In this exciting new study James Lander places these two iconic men side by side and reveals the parallel views they shared of man and God While Lincoln is renowned for his oratorical prowess and for the Emancipation Proclamation as well as many other accomplishments his scientific and technological interests are not widely recognized for example many Americans do not know that Lincoln is the only U S president to obtain a patent Darwin on the other hand is celebrated for his scientific achievements but not for his passionate commitment to the abolition of slavery which in part drove his research in evolution Both men took great pains to avoid causing unnecessary offense despite having abandoned traditional Christianity Each had one main adversary who endorsed scientific racism Lincoln had Stephen A Douglas and Darwin had Louis Agassiz With graceful and sophisticated writing Lander expands on these commonalities and uncovers more shared connections to people politics and events He traces how these two intellectual giants came to hold remarkably similar perspectives on the evils of racism the value of science and the uncertainties of conventional religion Separated by an ocean but joined in their ideas Lincoln and Darwin acted as trailblazers leading their societies toward greater freedom of thought and a greater acceptance of human equality This fascinating biographical examination brings the mid nineteenth century discourse about race science and humanitarian sensibility to the forefront using the mutual interests and pursuits of these two historic figures

Research in Education, 1968 **9/11 and the War on Terror** David Holloway, 2008-05-19 This interdisciplinary study of how 9/11 and the war on terror were represented during the Bush era shows how culture often functioned as a vital resource for citizens attempting to make sense of momentous historical events that frequently seemed beyond their influence or control Illustrated throughout the book discusses representation of 9/11 and the war on terror in Hollywood film the 9/11 novel mass media visual art and photography political discourse and revisionist historical accounts of American empire between the September 11 attacks and the Congressional midterm elections in 2006 As well as prompting an international security crisis and a crisis in

international governance and law David Holloway suggests the culture of the time also points to a crisis unfolding in the institutions and processes of republican democracy in the United States His book offers a cultural and ideological history of the period
