

Brain-damaged Terri Schiavo dies

Terri Schiavo, the brain-damaged Florida woman at the heart of a bitter legal dispute, has died.

Mrs Schiavo's feeding tube was disconnected on 18 March, following a seven-year battle through the courts.

Her husband Michael Schiavo had said his wife would not have wanted to live in her current condition.

Terri Schiavo collapsed in 1990

Kerkhoff, Stephanie L. Hanson, 2013-03-06 We have provided the reader with a resource for applied ethical decision making for use in clinical educational and research settings The Rehabilitation Psychologist using this book will have a choice of utilizing a Quick Reference guide including pro con positions regarding possible resolutions and a tabular summary of the varied case examples presented or making use of more detailed discussion of the ethical concepts pertinent to each case The most important aspect of this book is inclusion of psycho social context for each case This critical factor allows the reader to understand the flow of events and other factors influencing the actions of the key stakeholders thereby facilitating the ethical decision making process The mix of case examples is intentionally broad based including ample clinical practice situations along with challenges found in educational and research settings There is

also variety among the case examples with two detailed scenarios in each chapter along with two briefer learning exercises with focused summaries The reader is challenged to analyze each case and compare the results with the preferred resolution proposed by the authors Finally at the end of the book the reader has access to a list of ethics relevant reading resources These resources are divided into categorical domains that will assist with literature searches and further research into applied ethics The authors trust that this book will serve as a preparatory experience for those psychologists studying for the Rehabilitation Psychology specialty board exam as well as trainees and clinicians at all levels who desire an applied approach to utilizing the APA Ethics Code as an invaluable guide to everyday professional practice **Maybe a Miracle** Brian

Strause,2007-12-18 In this disarming debut Brian Strause has written a vastly entertaining novel about an American family transfixed by a series of mysterious events From a comfortable suburb of Columbus Ohio emerges a story of rebellion faith and hope bridging the cultural gap between those who believe in miracles and those who wish they could Monroe Anderson as quiet on the outside as he is sardonic and alive on the inside has spent most of his eighteen years trying to fly beneath the radar If he can remain invisible he believes his sadistic older brother a rising golf star might not torment him his workaholic father a renowned litigator might not notice him long enough to be disappointed and his mother might not have to struggle so hard to find a hopeful word The only people who glimpse the real Monroe are his girlfriend Emily and his eleven year old sister Annika On the night of his senior prom Monroe finds Annika floating facedown in the family pool He dives in and rescues her but not quickly enough to prevent her from slipping into a coma As the family copes with this crisis Monroe s mother turns to religion his father turns to liquor and Monroe himself must decide what s worth believing in what s worth fighting for and finally who he wants to be By turns humorous and heartbreaking personal and sweeping familiar and extraordinary Brian Strause s mesmerizing novel takes readers on an unforgettable emotional journey into America s heartland **Think Ahead of Disaster (A Guide for Assisting Aging Parents)** Eric R.
