understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts *DiscipleShift* Jim Putman,Bobby Harrington,2013-04-23 Question What is the God given purpose of the local church Answer Relational discipleship DiscipleShift walks you through five key shifts that churches must make to refocus on the fundamental biblical mission of discipleship These intentional changes will attract the world and empower your church members to be salt and light in their communities Over the last thirty years many influential church leaders and church planters in America have adopted various models for reaching unchurched people While many of these approaches have merit something is still missing something even more fundamental to the mission of the church discipleship Making disciples helping people to trust and follow Jesus is the church s God given mandate Devoted disciples attract people outside the church because of the change others see in their Christ like lives And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non believers Through biblical and professional insights Jim Putman and Bobby Harrington discuss the transformational effectiveness of making disciples and just how to do so in practical terms You ll learn The specific roles of a disciple making pastor The components of person to person discipleship How each ministry in your church leads to discipleship How to implement discipleship in your church Disciple making leaders will not produce perfect churches but they will create effective churches **Discipleship that Fits** Bobby Harrington,Alex Absalom,2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context Discipleship That Fits shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today **Going Full Circle** Mark

Powers,2013-07-03 In the grip of serious numerical decline American Evangelical churches are now experiencing a missional movement God is calling his people to return to a biblical lifestyle that goes full circle in continual worship discipleship and missions Mark Powers connects the dots between these three main elements of authentic Christian living He presents a theology of missional worship a detailed discipleship plan and a strategy for local music missions Going Full Circle uses everyday language to present a simple thought process to move worshipers and worship leaders to become worshipping disciples on mission Are you a casualty of worship wars Are you worried about the decline of your church Are you thrilled with fast growth churches but sense there must be something more than spectator worship Are you confused by the word missional that seems to be popping up everywhere This book is for you and your friends Read it share it and join the movement     Youth Ministry Bi-Vocational Survival Guide Rick Flann,2016-04-27 Youth Ministry Bi Vocational Survival Guide is written specifically for the bi vocational pastor and is chock full of nuggets of gold Authors Rick Flann and Chris Pope explain how to manage time well prioritize effectively and lead in a way that empowers both the bi vocational pastor and those they lead and care for on a daily basis The Apostle Paul a tent maker was one of the greatest people ever to walk the face of this earth He knew what his mission was and he was willing to do whatever it took to accomplish the task that God had set before him Paul was bi vocational He proclaimed the Gospel planted churches and pastored people yet he never demanded his right to a paycheck from the church 1 Cor 9 12 Maybe you are a modern day tent maker but unlike the Apostle Paul who always seemed to come out on top as a spiritual super star you are sinking under the pressures of multiple jobs both inside and outside of the church school family or countless other obligations that you face each and every day Take courage and know that you are not alone The Youth Ministry Bi Vocational Survival Guide was developed especially with you in mind to enable you to succeed and still minister effectively to those you are leading     Brotherhood Matthew Parker,2023-10-27 If our sons are to fulfill their God given destinies we must make them understand and translate for them the things that matter most Colin Pinkney Society can play a cruel role in lowering the expectations for young Black men But the truth is God designed every life to be valuable and called each of us to a purpose Everyone can live in that reality by focusing on the things that matter faith values and perseverance This book provides a message of hope for Black men and those who love them Forty devotional insights and personal stories written by Black men will inspire you to view life through a biblical lens knowing that your life matters and that you can grow in your God given abilities The authors share how they have been discipled and trained now passing their wisdom on to others in these true stories of success failure and overcoming     *Seeing through Spiritual Eyes* Kirk Farnsworth,2014-09-22 Bring the otherworldly mystery of spiritual reality down to earth Understand how Satan can gain entry into the personal lives of Christians Learn how to find peace in church conflict without having to flee fake it or fight back Put an end to toxic memories from a painful past Experience meaningful life in the Spirit     *The Spiritual Mentor* Jim Grassi,2013-11-26 There is nothing more fundamental to the Christian faith and

to building godly men than discipleship In today s vernacular discipleship would best be described as Spiritual Mentoring Why are discipleship and mentoring so important How does discipleship connect to the struggles men face today Discipleship is a relational process that requires people to become actively involved in their faith Devoted and active men can change the direction of our culture Most importantly God has commanded men to be the leaders in the home church and community Authentic discipleship is about developing a caring concern and a genuine love for others through modeling Christ like attitudes and behavior in the context of relational environments A fresh approach is needed to define implement and equip men with a passion to make disciples It starts with relationship Because it all starts with the individual we must see one on one discipleship as the primary objective to begin the revolution The Spiritual Mentor will explain how men can rescue their faith and how spiritual mentors must play a critical role in bringing the church back to its original purpose Features include Metaphors anecdotes and practical applications Practical tools for becoming a spiritual mentor Discussion questions Dr Jim Grassi has captured the essence of what is happening today with men in the church and defined logical and practical steps to get back on course of men gaining a closer relationship with God in the mentoring and discipleship process Dr Grassi illustrates the how to thru practical examples of situations we all know and can relate Dr Grassi sets the tone for a modern day Haggai in being strong and staying courageous putting in the effort by serving and working at the process and lastly knowing that God never leaves your side and is always with you This book is a must read and must have for reference of every men s ministry leader Darrel Billups NCMM Executive Director Our men s small group just finished reading and discussing The Spiritual Mentor We found the book to be challenging informative and very practical The stories and illustrations are captivating giving insight into principles and techniques of discipleship As fathers and grandfathers we want to first be a positive influence on our families and then on others with whom we come in contact This book has raised the level of our awareness of the responsibility and opportunity to serve God in fulfilling the most important directive given us by our Lord to make disciples Thank you for sharing your insight and experiences with us Norman Thomas Administrative Pastor Valley Assembly

*A Philosophy of Pastoral Preaching* David A. Christensen,2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the churchd The popularity of regional churches and the global reach of the internet allow preachers to

focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people's attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place [A Small Groups Manual](#) Bob Dukes ,Betsy Riley,2020-05-07 A Small Groups Manual provides direction for small group leaders on how to form and lead a progressive discipleship group Information on managing group dynamics group development and leadership is laid out in an understandable and easy to apply fashion The goal of disciple building is to help people grow up in the image of Christ it is to help them become obedient to His Word Small groups provide the interpersonal context in which a person can become a doer of the Word and not a hearer only
