How did nerves and neuroses take the place of ghosts and spirits in Meiji Japan How does Natsume Soseki's canonical novel Kokoro pervert the Freudian teleology of sexual development What do we make of Jacques Lacan's infamous claim that because of the nature of their language the Japanese people were unanalyzable And how are we to understand the reawakening of collective memory occasioned by the sudden appearance of a Japanese Imperial soldier stumbling out of the jungle in Guam in 1972 In addressing these and other questions the essays collected here theorize the relation of unconscious fantasy and perversion to discourses of nation identity and history in Japan Against a tradition that claims that Freud's method as a Western discourse makes a bad fit with Japan this volume argues that psychoanalytic reading offers valuable insights into the ways in which Japan itself continues to function as a psychic object By reading a variety of cultural productions as symptomatic elaborations of unconscious and symbolic processes rather than as indexes to cultural truths the authors combat the truisms of modernization theory and the seductive pull of culturalism This volume also offers a much

needed psychoanalytic alternative to the area studies convention that reads narratives of all sorts as windows offering insights into a fetishized Japanese culture As such it will be of huge interest to students and scholars of Japanese literature history culture and psychoanalysis more generally The Lancers of El Dorado Helmine Chezy,2012-04-23 Alissa Van Leuven has good grades a place on the swim team and the friendship of fellow swimmer Calypso Ingeman The El Dorado High School team is a powerhouse run by a disciplinarian coach seemingly predestined for a championship season However Alissa s world is upset by a series of revelations about her friend and her teammates Can her friendship and her status as a member of the team survive the impact of these revelations **Beautiful Vengeance (previously published as Forbidden Promises)** Katee Robert,2017-05-30 Buckle up and hold on because Forbidden Promises is breathtaking romance with heart stopping action and unexpected twists and turns USA Today Some lines should never be crossed not even for love Sloan O Malley just left her entire world behind her family her wealth and even her real name For the first time in her life she s free She can live the normal life she s always wanted A life without fear But there s nothing safe about her intensely sexy next door neighbor Jude MacNamara has no room for innocence in his life Only revenge Still he s never been able to walk away from the forbidden and Sloan who is every inch of pure mouthwatering temptation has forbidden written all over her Only after it s way too late does he discover the real danger claiming Sloan as his puts a target on her back To protect her Jude is willing risk everything and to hell with the consequences Previous books in the O Malley series THE MARRIAGE CONTRACT THE WEDDING PACT AN INDECENT PROPOSAL French Braid Anne Tyler,2022-03-22 NEW YORK TIMES BESTSELLER From the beloved Pulitzer Prize winning author of A Spool of Blue Thread a funny joyful brilliantly perceptive journey deep into one Baltimore family s foibles from a boyfriend with a red Chevy in the 1950s up to a longed for reunion with a grandchild A quietly subversive novel tackling fundamental assumptions about womanhood motherhood and female aging The New York Times Book Review The Garretts take their first and last family vacation in the summer of 1959 They hardly ever leave home but in some ways they have never been farther apart Mercy has trouble resisting the siren call of her aspirations to be a painter which means less time keeping house for her husband Robin Their teenage daughters steady Alice and boy crazy Lily could not have less in common Their youngest David is already intent on escaping his family s orbit for reasons none of them understand Yet as these lives advance across decades the Garretts influences on one another ripple ineffably but unmistakably through each generation Full of heartbreak and hilarity French Braid is classic Anne Tyler a stirring uncannily insightful novel of tremendous warmth and humor that illuminates the kindnesses and cruelties of our daily lives the impossibility of breaking free from those who love us and how close yet how unknowable every family is to itself *I'm With The Band: Meet Me Halfway* Corri Lee,2013-07-23 No boyfriends no groupies that is the standing NBNG rule for Amelia Marsh the hostile and insular front man of the internationally renowned alternative rock band The Bystander Effect Four simple coping strategies have pulled her through five years of tours and
