*Finding Lost, Season 6* Nikki Stafford, 2009 In this comprehensive handbook the sixth and final season of the wildly popular television series Lost is discussed Includes never before seen photos an analysis of each episode an episode guide and biographies of the actors *Emergency!* Richard Yokley, Rozane Sutherland, 2007-05 The hit television show that helped revolutionize emergency medical care in the streets is still a favorite with fans all over the world When the show premiered in 1972 fire department paramedic services were being piloted in just a handful of cities By 1977 over 50% of the US population was within 10 minutes of a paramedic unit The paramedics of Fire Station 51 showed viewers critical techniques such as CPR that saved lives both on screen and off *Emergency Behind the Scene* contains real life tales from the production crew from medical and fire technical advisors cast members and writer to paramedics and fire fighters Learn more about Johnny Gage Roy DeSoto Dixie McCall and the rest of the Station 51 Rampart General Hospital staff If you are a fire fighter paramedic or simply a fan you will enjoy this in depth look behind the scenes [Booking Hawaii Five-O](#) Karen Rhodes, 2011-12-20 On September 26 1968 Hawaii Five O premiered on CBS The show s exotic locale and quality writing and acting made it a fixture in the network s line up for the next 12 years Today the detective series continues to be very popular

in syndication The show s history is covered first focusing on its development and its stars Complete casts and credits for all regulars are provided for each season the episode guide gives the title original air date director producer guest stars a detailed synopsis of each show and information on Honolulu residents who appeared in it *Internet Babylon* Greg Holden,2013-11-09 This book looks at the Internet from a sordid and entertaining perspective The line between truth and fiction is blurred on the net just as it is in Hollywood and so are the scandals involving well known movie and TV personalities politicians and the Internet s own brand of celebrities The battle between illusion and reality is every bit as intense on the Internet as on the celluloid screen Going beyond sites that glorify the seamier side to life Internet Babylon is a guide to the unique sites that appeal to selective sensibilities Internet Babylon gives you the ability to live vicariously through and be a participant in extraordinary even strange goings on that you might never otherwise encounter in your day to day life You ll not only find entertaining and titillating stories that define the rough and wild side of a major force in society that s still developing but you ll also discover the tools you need to be on top of breaking stories and find the news that s not fit to print

*Internet Children's Television Series, 1997-2015* Vincent Terrace,2016-08-04 Created around the world and available only on the web internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through crowd funding they are filmed with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance The fifth in a series focusing on the largely undocumented world of internet TV this book covers 573 children s series created for viewers 3 to 14 The genre includes a broad range of cartoons CGI live action comedies and puppetry Alphabetical entries provide websites dates casts credits episode lists and storylines **Real-Life Monsters** Stephen J. Giannangelo,2012-07-06 This book presents an in depth psychological analysis of the development of the serial killer personality that will fascinate all readers from the experienced criminology student to the casual true crime reader Real Life Monsters A Psychological Examination of the Serial Murderer takes a different approach than most titles on a similar topic the author develops and proposes an original psychological explanation rather than simply repeating some of the long held theories for these criminals heinous actions The work addresses current issues presents detailed commentary and personal observation and contains photographs that will fascinate general readers interested in the subjects of true crime serial killers and psychopathology The first part of the book carefully examines the research past and present regarding clinical psychological societal and biological bases for violent behavior specific to the serial murderer Part two establishes a novel theory of the pattern of violence and then explores this hypothesis through eight case studies interviews with serial killers and elemental analysis The work also contains a chapter based on conversations between the author and a convicted serial murderer **Children's Stories in English Literature from Shakespeare to Tennyson** Henrietta Christian Wright,1892 Sid and Marty Krofft Hal Erickson,2015-03-13 H R Pufnstuf Lidsville Sigmund and the Sea Monsters Land of the Lost For a generation of children growing up in the late sixties

and early seventies these were some of the most memorable shows on Saturday morning television At a time when television cartoons had lost some of their luster two puppeteers named Sid and Marty Krofft put together a series of shows that captivated children Using colorful sets and mysterious lands full of characters that had boundless energy the Kroffts created a new form of children s television rooted in the medium s earliest shows but nevertheless original in its concept This work first provides a history of the Kroffts pretelevision career then offers discussions of their 11 Saturday morning shows Complete cast and credit information is enhanced by interviews with many of the actors and actresses behind the scenes information print reviews of the series and plot listings of the individual episodes The H R Pufnstuf feature film the brothers other television work and their short lived indoor theme park are also detailed

Lucian's Science Fiction Novel True Histories: Interpretation and Commentary Georgiadou,Larmour,2018-07-17 This is the first substantial commentary on Lucian s *Verae Historiae* True Histories a fantastic journey narrative considered the earliest surviving example of Science Fiction in the Western tradition The Introduction situates the work in the context of Lucian s oeuvre especially his preoccupation with distinguishing truth from fiction and exposing the lies of philosophers In their commentary the editors trace the sources and the meaning of the numerous intertextual allusions and parodies of philosophers poets historians and paradoxographers The *Verae Historiae* emerges from this scrutiny as a remarkably complex text with some very modern concerns it problematizes the act of reading allegorical interpretation authorial reliability and the validity of cultural norms and literary genres

*Hercules* Robert Weisbrot,2004 This book is a follow up to the author s successful first book on the show In this he writes about the final three seasons The author s passionate introspection contains cast profiles and commentary from the stars on each episode

**Matter and Molecules Teacher's Guide** ,1988 **Second City Television** Jeff Robbins,2014-11-29 This work offers a complete episode guide and comprehensive history of Second City Television The influential Canadian sketch comedy series created dozens of memorable characters i e station president Guy Caballero and showbiz mogul Johnny LaRue and featured well known performers such as John Candy Catherine O Hara and Martin Short at the height of their comedic careers Presenting a thorough summary and review for each of SCTV s 135 episodes the author traces the initial appearance and evolution of some of comedy s best known television characters and sketches Two appendices provide guides to the program s compilation shows and recently released boxed sets on DVD

Immersive Learning Craig Frehlich,2020-09-10 Most people want to reach their maximum potential and the use of tools are no different Some say power is influence If this is true then virtual reality has superpowers because of its ability to make the unreal viscerally real engaging and immersive Thanks to these powers VR can influence and affect education in ways that no technology tool has in the past This book will help people understand the power and true potential of virtual reality or VR The prime directive of this book is to provide educators with a way of thinking about how to use virtual reality in education in order to reveal its true superpowers And to arm educators with several hands on lessons to get them started on

implementing VR as a tool to enhance learning outcomes Ultimately the book aims to have educators clearly understand VR's role in transforming education thus reaching its maximum potential      Weekly World News ,1981-09-15 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site      *The House That Hugh Laurie Built* Paul Challen,2010-12-14 At the centre of the critically acclaimed Fox drama House British actor Hugh Laurie has become the focus of fans across North America Britain and Australia Winner of the Golden Globe for Best Actor in a Dramatic Series honoured by the Queen with an Order of the British Empire and one of People's Sexiest Men Alive Laurie has become an icon The House That Hugh Laurie Built will also serve as a magnifying glass providing episode analysis cast biographies selections of Dr House's caustic wit and production bloopers and medical mistakes that only Dr House could expose      World Wide Web Yellow Pages ,1996      A Descriptive List of Novels ,1893
