The Rebellion record ,1864 *The Rebellion Record* Frank Moore,1864 **Latin America's Wars Volume II: The Age of the Professional Soldier, 1900-2001** Robert L. Scheina,2003-07-31 The second volume in Robert Scheina's definitive study of Latin American military history draws upon years of extensive research and teaching in the field Although wags in the United States have quipped that if Latin America's military forces were not constantly seeking political power they would have nothing to do Scheina describes how these men have not only bravely defended their own homelands from foreign enemies but have also gone abroad to fight in both world wars and in the Korean War This groundbreaking volume also examines the numerous U S interventions in Latin America during the twentieth century and the various motivations for them ranging from the petty interests of influential North American businesses to global concerns with grand strategy which for example resulted in the building of the Panama Canal Scheina concludes by exploring the role of Latin America in the Cold War and Colombia's ongoing conflict with the drug cartels He focuses on operational history in the context of war as an instrument of politics and society including insightful analyses of the military as an institution and of its relations with civilian government Latin America's Wars fills a void in the literature broadens U S readers understanding of their neighbors and serves as a point of departure for new scholarship *The Rebellion Record: A Diary of American Events, With Documents, Narratives, Illustrative Incidents, Poetry, Etc.* ,1864 **Harper's Weekly** ,1861 **The Rebellion Record: June '63-Nov. '63** Frank Moore,1864 *The History, Civil, Political and Military, of the Southern Rebellion* Orville James Victor,1861 *The Inter Ocean Curiosity Shop for the Year ...* ,1882 *The Friend* ,1864 **Stirring Appeals from Honored Veterans** ,1864 **Who's who in New York City and State** Lewis Randolph Hamersly,John W. Leonard,William Frederick Mohr,Herman Warren Knox,Frank R. Holmes,Winfield Scott Downs,1907 Containing authentic biographies of New Yorkers who are leaders and representatives in various departments of worthy human achievement including sketches of every army and navy officer born in or appointed from New York and now serving of all the congressmen from the state all state senators and judges and all ambassadors ministers and consuls appointed from New York **Congressional Record** United States. Congress,1897 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *The Country Gentleman* John Jacobs Thomas,1864 A journal for the farm the garden and the fireside devoted to improvement in agriculture horticulture and rural taste to elevation in mental moral and social character and the spread of useful knowledge and current news **The American catalogue of books ... published in the United States from Jan. 1861, to Jan., 1866** James Kelly,1866 **The Independent** ,1895 *No Party Now* Adam I. P. Smith,2006-07-27 During the Civil War Northerners fought each

other in elections with almost as much zeal as they fought Southern rebels on the battlefield Yet politicians and voters alike claimed that partisanship was dangerous in a time of national crisis In *No Party Now* Adam I P Smith challenges the prevailing view that political processes in the North somehow helped the Union be more stable and effective in the war Instead Smith argues early efforts to suspend party politics collapsed in the face of divisions over slavery and the purpose of the war At the same time new contexts for political mobilization such as the army and the avowedly non partisan Union Leagues undermined conventional partisan practices The administration s supporters soon used the power of anti party discourse to their advantage by connecting their own antislavery arguments to a powerful nationalist ideology By the time of the 1864 election they sought to de legitimize partisan opposition with slogans like No Party Now But All For Our Country *No Party Now* offers a reinterpretation of Northern wartime politics that challenges the party period paradigm in American political history and reveals the many ways in which the unique circumstances of war altered the political calculations and behavior of politicians and voters alike As Smith shows beneath the superficial unity lay profound differences about the implications of the war for the kind of nation that the United States was to become The (old) Farmer's Almanack Robert Bailey Thomas,1858 The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1913
 Harness Horse ,1989 **The Triumph of Reform** ,1895
