Solomon Wu Porter Walsh,2015-05-27 A novel of the future after nuclear World War III The War started between Russia and China and when it was over the industrial world no longer existed The war was brief Warheads hit all the major cities Mistaken diplomacy made both sides think the USA would join the other side so both launched pre emptive strikes The United States didn't return fire because the nuclear arsenal was decommissioned Ninety percent of the global population died

from violence starvation and disease A new world was hammered out of what was left A world made of scraps and salvage What was the USA became different states In the east what s left of the USA is called the DRUSA It has what remains of industry for refurbishing salvage and supplying guns and ammunition for the on going wars They also sell the services of their troops to other states It is not a world where anyone would want to live but here are the stories of some of the people and the adventures of Solomon Wu a soldier in the DRUSA Army

Hard Knocks Olufemi A. Togun,2010-10-12 Habass looked at the shattered head of his man astonished the police were such good marksmen For him this was a signal to move Without the grenade launcher he knew it would be difficult to match the firepower of the anti riot police who out numbered them The jeep leapt forward and out of its parking space before tearing out on screeching tires Smoke from its burning tires rose into the air like wisps of steam from a teacup Isah got behind the wheel of the Toyota Liteace minibus while the others scrambled in As the vehicle screeched out of its parking space volleys from the concerted fire of the anti riot policemen hit it repeatedly shattering all the glass windows wind shields and deflating its tires Yelps of pain emanated from the occupants as the slugs lodged in their bodies Having no other option the robbers spilled unto the street once again firing wildly as they tried to make their get away on foot It was an effort in futility
