Exergetic Aspects of Renewable Energy Systems Evanthia A. Nanaki, George Xydis, 2019-07-31 Energy is essential to all human activities as well as critical to social and economic development Sustainable energy planning encompassing the concept of smart cities has a high potential to significantly contribute to climate change mitigation For improved energy efficiency it is essential to find low carbon solutions for the urban environment The integration and management of energy supply with predominant exploitation of local resources is examined through the fundamental concept of exergy This book can assist in decision making with regard to sustainable energy design both at a national and local level

Semantic Technology Guilin Qi, Kouji

Kozaki, Jeff Z. Pan, Siwei Yu, 2016-03-19 This book constitutes the thoroughly refereed proceedings of the 5th Joint International Semantic Technology Conference JIST 2015 held in Yichang China in November 2015 The theme of the JIST 2015 conference was Big Data and Social Media The JIST 2015 conference consisted of main technical tracks including 2 keynotes 2 invited talks a regular technical paper track full and short papers an in use track a poster and demo session workshop and tutorial The 14 full and 8 short papers in this volume were carefully reviewed and selected from 43 submissions The paper cover the following topics ontology and reasoning linked data learning and discovery RDF and query knowledge graph knowledge integration query and recommendation and applications of semantic technologies **Plug-in Vehicles, Plugged in Policy?** Great Britain: Parliament: House of Commons: Transport Committee, 2012-09-20 Consumer demand for plug in vehicles remains very low and the Government grant to encourage demand may not be proving effective The Government must do more to show that its plug in vehicle strategy is a good use of public money Carbon emissions from transport must be reduced if the UK is to meet its climate change targets but public money must be targeted on effective policies So far Department for Transport expenditure on plug in cars some 11 million has benefited just a handful of motorists There is a risk that the Government is basically subsidising second cars for affluent households It is also unclear whether the provision of public charging infrastructure encourages demand for plug in cars Indeed the Government does not even have a register of all the chargepoints installed at public expense *Environmental Publics* Sally Eden, 2016-12-08 How do ordinary people think about the environment as they go about their daily lives Does thinking about the environment make them do things differently This book is the first to explore the idea of environmental publics that is the ways in which ordinary people engage with environmental issues across different practical contexts of work play and home Emphasising the practices of environmental engagement *Environmental Publics* examines how people consume the environment learn about it campaign for its protection and enjoy it through their leisure time But the book avoids relying on idealisations of consumers or citizens or theoretical constructs about behavioural norms that have traditionally dominated research in this field Instead this book differentiates environmental publics not by who they are but by what they are doing their daily practices It also analyses specifically the geographies of those practices how what people do affects the environment but in different ways across time and space and at different scales aspects of practices that are neglected in the literature With an interdisciplinary perspective this book will be of interest to students and scholars in geography sociology science and technology studies political science and anthropology It is written in an accessible and readable style so as to be useful for preliminary and more advanced courses in environmental management perception and policy as well as in studies of modern society consumption and environmentalism *Communicating Mobility and Technology* Ehren Helmut Pflugfelder, 2016-07-07 Winner of the 2018 CCCC Technical and Scientific Communication Award in the category of Best Book in Technical or Scientific Communication Responding to the effects of human mobility and crises such as depleting oil

supplies Ehren Helmut Pflugfelder turns specifically to automobility a term used to describe the kinds of mobility afforded by autonomous automobile based movement technologies and their ramifications Thus far few studies in technical communication have explored the development of mobility technologies the immense power that highly structured environmentally significant systems have in the world or the human machine interactions that take place in such activities Applying kinaesthetic rhetoric a rhetoric that is sensitive to and developed from the mobile material context of these technologies Pflugfelder looks at transportation projects such as electric taxi cabs from the turn of the century to modern day open source vehicle projects and a large case study of an autonomous electric pod car network that ultimately failed Kinaesthetic rhetoric illuminates how mobility technologies have always been persuasive wherever and whenever linguistic symbol systems and material interactions enroll us often unconsciously into regimes of movement and ways of experiencing the world As Pflugfelder shows mobility technologies involve networks of sustained arguments that are as durable as the bonds between the actors in their networks

One Careful Owner Alex Christou, 2013-05-29 One Careful Owner blends travel writing and motoring journalism to bring a unique perspective to the world of car and motoring enthusiasm The book follows the author's journey from the moment he decides to embrace his latent passion for cars through his journey across Europe in a mid 90s Ferrari and beyond

[The Infinite Moment of Us](#) Lauren Myracle, 2013-08-27 For as long as she can remember Wren Gray's goal has been to please her parents But as high school graduation nears so does an uncomfortable realization Pleasing her parents once overlapped with pleasing herself but now not so much Wren needs to honor her own desires but how can she if she doesn't even know what they are Charlie Parker on the other hand is painfully aware of his heart's desire A gentle boy with a troubled past Charlie has loved Wren since the day he first saw her But a girl like Wren would never fall for a guy like Charlie at least not the sort of guy Charlie believes himself to be And yet certain things are written in the stars And in the summer after high school Wren and Charlie's souls will collide But souls are complicated as are the bodies that house them Sexy romantic and oh so true to life this is an unforgettable look at first love from one of young adult fiction's greatest writers Praise for *The Infinite Moment of Us* STARRED REVIEW The scenes of sexual intimacy are described with innocently erotic frankness offering an ideal if not idealized model for readers on the cusp this is *Forever* for a new generation offering character depth Cath and Michael never achieved Summer love has never been so good Kirkus Reviews starred review In contrast to unhealthy depictions of sex and relationships that teenagers and adults are often exposed to in media and entertainment Myracle offers up a passionate romance built on a bedrock of love respect and trust And it's difficult to see that as a bad thing Publishers Weekly Two mature recent high school graduates fall in love and bring out the best in each

other in Lauren Myracle's thoughtful exploration of an intimate relationship the relationship between Wren and Charlie always remains realistic and involving Shelf Awareness This charming romance has multidimensional characters straightforward sexuality and a pace that lets readers fall in love with the main characters Myracle expertly captures the intense connection of first love from the need to spend every moment together to trying to figure out how to communicate with one another School Library Journal The single focus intensity of Wren and Charlie's feelings is spot on for the age group chapters move between both their perspectives as they grow into the relationship offering readers of both sexes a rather compelling example of the how to's of intimacy The Bulletin of The Center for Children's Books

Lemon-Aid New Cars and Trucks 2012 Phil Edmonston, 2011-01-01 Phil Edmonston Canada's automotive Dr Phil pulls no punches He says there's never been a better time to buy a new car or truck thanks to a stronger Canadian dollar and an auto industry offering reduced prices more cash rebates low financing rates bargain leases and free auto maintenance programs In this all new guide he says Audis are beautiful to behold but hell to own biodegradable transmissions rodent snack wiring and mind boggling depreciation Many 2011-12 automobiles have chin to chest head restraints blinding dash reflections and dash gauges that can't be seen in sunlight not to mention painful wind tunnel roar if the rear windows are opened while underway Ethanol and hybrid fuel saving claims have more in common with Harry Potter than the Society of Automotive Engineers GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that killed its own electric car more than a decade ago You can save 2 000 by cutting freight fees and administrative charges Diesel annual urea fill up scams can cost you 300 including an 80 handling charge for 25 worth of urea Lemon Aid's 2011-12 Endangered Species List the Chinese Volvo the Indian Jaguar and Land Rover the Mercedes Benz Smart Car Mitsubishi and Suzuki

Transportation and Power Grid in Smart Cities Hussein T. Mouftah, Melike Erol-Kantarci, Mubashir Husain Rehmani, 2018-12-28 With the increasing worldwide trend in population migration into urban centers we are beginning to see the emergence of the kinds of mega cities which were once the stuff of science fiction It is clear to most urban planners and developers that accommodating the needs of the tens of millions of inhabitants of those megalopolises in an orderly and uninterrupted manner will require the seamless integration of and real time monitoring and response services for public utilities and transportation systems Part speculative look into the future of the world's urban centers part technical blueprint this visionary book helps lay the groundwork for the communication networks and services on which tomorrow's smart cities will run Written by a uniquely well qualified author team this book provides detailed insights into the technical requirements for the wireless sensor and actuator networks required to make smart cities a reality

Privacy in the Age of Big Data Theresa Payton, Ted Claypoole, 2014-01-16 Digital data collection and surveillance is pervasive and no one can protect your privacy without your help Before you can help yourself you need to understand the new technologies what benefits they provide and what trade offs they require Some of those trade offs privacy for convenience could be softened by our own behavior or be

reduced by legislation if we fight for it This book analyzes why privacy is important to all of us and it describes the technologies that place your privacy most at risk starting with modern computing and the Internet 2015 Toyota Prius Owner Manual Compatible with OEM Owners Manual, Factory Glovebox Book Helming,2015-07-27 Federal Register,2013-04 **2014 Toyota Prius Owner Manual Compatible with OEM Owners Manual, Factory Glovebox Book** Helming,2014-02-09 **Patent Wars** Thomas F.
